Self-Action Leadership (Volume II) Jordan R. Jensen,2019-08-30 Self Action Leadership Volumes 1 and 2 provides the first and only books of their kind in the academic world today This two volume set single handedly carves out a new and unique scholarly niche by providing the first comprehensive and secular manual to holistically address society s universal need for personal leadership and character education Its single minded aim is the global promotion and proliferation of leadership character and life skills education in nations communities organizations schools homes and individual lives everywhere The concept of Self Action Leadership SAL is rooted in 30 years of extensive research spanning the fields of self leadership leadership action research character education and autoethnography In addition to drawing on the scholarship of these extant fields SAL simultaneously builds upon them by introducing an original theory and model that executives administrators scholars teachers and practitioners alike can universally utilize to their own advantages and to the benefit of their colleagues subordinates and students Volume II The Self Action Leadership Model contains the last four book sections and the appendices for the combined volumes including the Freedom Focused Corporate Declaration of Independence and Constitution Lifelong Learning Catalog , **The Value-Added Employee** Edward Cripe,Edward J. Cripe,Richard S Mansfield,Richard S. Mansfield,2007-08-22 A handy guide offering a practical plan for targeting skills any employee wants to develop and employers most desire It s hard to tell if today s competitive job market is more unsettling for employees seeking job security or companies trying to retain loyal workers The Value Added Employee provides fresh insights on what makes employees valuable to the organization and how companies can keep productive employees on the job Employees will understand how to increase their personal marketability by developing specific skills knowledge and attitudes Managers and coaches will find the tools and resources to make employees more valuable to the organization Even policymakers and human

resource professionals can drive change and business improvement through the application of competency modeling processes The Value Added Employee is a step by step plan for targeting the competencies an employee wants to develop and employers most desire It discusses 31 core competencies including interpersonal competencies business competencies and self management competencies Designed as a handbook The Value Added Employee is a toolkit of ideas and a workbook to be written in and referred to on a regular basis Through its use employees and their companies will discover a firm foundation for meeting future goals
