The Routledge Companion to Innovation Management Jin Chen,Alexander Brem,Eric Viardot,Poh Kam
 Wong,2019-02-14 Innovation contributes to corporate competitiveness economic performance and environmental
 sustainability In the Internet era innovation intelligence is transferred across borders and languages at an unprecedented
 rate yet the ability to benefit from it seems to become more divergent among different corporations and countries How much
 an organization can benefit from innovation largely depends on how well innovation is managed in it Thus there is a
 discernible increase in interest in the study of innovation management This handbook provides a comprehensive guide to this
 subject The handbook introduces the basic framework of innovation and innovation management It also presents innovation
 management from the perspectives of strategy organization and resource as well as institution and culture The book s
 comprehensive coverage on all areas of innovation management makes this a very useful reference for anyone interested in
