Lucky Stroke Sah Thoughts Of A Survivor:

Lucky Stroke Glenn Peach, 2015-09-15 Stroke comes without warning Then what What happens to your loved one behind that door to the stroke unit What is your patient thinking right now What does stroke recovery have to do with body memory What do you need to bring back your pre stroke functions Author Glenn M Peach experienced a rare hemorrhagic stroke and is one of the few who survived to tell his story and share the lessons that helped him to heal Health issues had been furthest from my mind and then my horizons were pushed to make room for more emotion as I gained new insights to health and well being Glenn remembers and shares everything Lucky Stroke is a personal story dictated by fate modern medicine and human understanding After reading it you will have a better understanding of this life threatening and life changing event Lucky Stroke Glenn M. Peach, 2015-09-17 Stroke came without warning I was nearing my 57th birthday and health issues had been furthest from my mind In an instant my horizons were pushed to make room for more emotion as I saw health and well being in a new light Author Glenn M Peach experienced a rare hemorrhagic stroke and is one of the few who survived to tell his story and share the lessons that helped him to heal Lucky Stroke is a personal story dictated by fate modern medicine and human understanding Glenn remembers everything He still has his past and the details of his present are still being processed in his brain This comprehensive and easy to read account gives understanding and comfort to others forced to experience this frightening life event Read this entertaining account that explains what the hell is going on while everybody including the patient is worried out of their minds **HELP! I Have A Brain Injury And It Feels Like I've Dropped Out of the Sky** Kay Pratt, C.E.A.P., C.P.C.C., 2017-09-05 WHAT do you know about brain injury How does it happen How does it affect one's life What does it feel like How long does it take to recover from a Traumatic Brain Injury Will a survivor ever be the same again WHAT are your beliefs about the future of someone who's sustained a Traumatic Brain Injury The answers to these questions are as broad and unique as the individuals who have sustained brain injuries In my own experience as a TBI survivor I have come to understand that the degree to which we recover can be measured not only by our physical reality but by our personal and caregiver's belief systems after all if we are cognitively and physically able what we believe shapes our every outcome Kay Pratt In this Book TBI survivors share the answers to these questions and more through the voice of their experience It is with sincere hope that by doing so your understanding and beliefs about brain injured individuals will be broadened and your perspectives enlightened **My Lucky Stroke** Sarah Brooker, 2020-02-25 Sarah Brooker was an ambitious young woman studying to be a neuroscientist She had the world at her feet On New Year's Eve 2002 an unbelievable series of events occurred a brain aneurysm a devastating car accident a body broken and a mind shattered A life was changed forever Several weeks later Sarah woke from a coma with no idea of who or where she was or what had happened But thanks to an extraordinary quirk of the brain Sarah could remember neuroscience In fact when doctors came to visit her during the many months she spent in hospital Sarah assumed they were consulting her as the brain expert not

attending to her as a patient My Lucky Stroke is an extraordinary memoir full of life and insight humour and drama a story about rebuilding a life from square one that you won't easily forget
