When Writers Drive the Workshop Brian Kissel, 2017 In this practical engaging book former elementary school teacher and university professor Brian Kissel asks teachers to go back to the roots of writing workshop What happens when students not planned teaching points lead writing conferences What happens when students not tests determine what they learned through reflection and self evaluation Writing instruction has shifted in recent years to more accountability taking the focus away from the writer This book explores what happens when empowered writers direct the writing workshop Through stories from real classrooms Brian reveals that no matter where children come from they all have the powerful shared need to be heard And when children choose their writing topics their lives unfold onto the page and teachers are educated by the young

voices and bold choices of these writers Written in an engaging teacher to teacher style this book focuses on four key components of writing workshop with an eye on what happens when teachers step back and allow students to drive the instruction Conferring sessions where students lead and teachers listen Author s Chair where students set the agenda and ask for feedback Reflection time and structures for students to set goals and expectations for themselves Mini lessons that allow for detours based on students needs not teacher or curricular goals Each of the chapters includes practical ideas a section of Guiding Beliefs a list of Frequently Asked Questions and some Digital Diversions to help teachers see the digital possibilities in their classrooms

Scaffolding Young Writers Linda Dorn,Carla Soffos,2023-10-10 The goal of teaching writing is to create independent and self motivated writers When students write more often they become better at writing They acquire habits skills and strategies that enable them to learn more about the craft of writing Yet they require the guidance and support of a more knowledgeable person who understands the writing process the changes over time in writing development and specific techniques and procedures for teaching writing In *Scaffolding Young Writers A Writers Workshop Approach* Linda J Dorn and Carla Soffos present a clear road map for implementing writers workshop in the primary grades Adopting an apprenticeship approach the authors show how explicit teaching good models clear demonstrations established routines assisted teaching followed by independent practice and self regulated learning are all fundamental in establishing a successful writers workshop There is a detailed chapter on organizing for writers workshop including materials components routines and procedures Other chapters provide explicit guidelines for designing productive mini lessons and student conferences *Scaffolding Young Writers* also features An overview of how children become writers Analyses of students samples according to informal and formal writing assessments Writing checklists benchmark behaviors and rubrics based on national standards Examples of teaching interactions during mini lessons and writing conferences Illustrations of completed forms and checklists with detailed descriptions and blank reproducible forms in the appendix for classroom use Instruction is linked with assessment throughout the book so that all teaching interactions are grounded in what children already know and what they need to know as they develop into independent writers
