Luna Llena En Las Rocas:

Luna llena en las rocas Xavier Velasco, 2016 **Luna llena en las rocas** Xavier Velasco, 2005 En esta novela el autor encarna a un narrador festivo y caradura decidido a llevar la juerga hasta sus últimas palabras por bares puticlubes e infiernillos afines P 4 of cover Mexico Reading the United States Linda Egan, Mary K. Long, 2009-07-17 A provocative and uncommon reversal of perspective Elena Poniatowska *The Contemporary Spanish-American Novel* Will H. Corral, Juan E. De Castro, Nicholas Birns, 2013-09-26 The Contemporary Spanish American Novel provides an accessible introduction to an important World literature While many of the authors covered Aira Bola o Castellanos Moya V squez are gaining an increasing readership in English and are frequently taught there is sparse criticism in English beyond book reviews This book provides the guidance necessary for a more sophisticated and contextualized understanding of these authors and their works Underestimated or unfamiliar Spanish American novels and novelists are introduced through conceptually rigorous essays Sections on each writer include the author s reception in their native country Spanish America and Spain biographical history a critical examination of their work including key themes and conceptual concerns translation history scholarly reception The Contemporary Spanish American Novel offers an authoritative guide to a rich and varied novelistic tradition It covers all demographic areas including United States Latino authors in exploring the diversity of this literature and its major themes such as exile migration and gender representation **The Picaresque and the Writing Life in Mexico** Jorge Téllez, 2021-05-15 This book studies picaresque narratives from 1690 to 2013 examining how this literary form serves as a reflection on the material conditions necessary for writing literature in Mexico In The Picaresque and the Writing Life in Mexico Jorge T llez argues that Mexican writers have drawn on the picaresque as a device for pondering what they regard as the perils of intellectual and creative labor Surveying ten narratives from 1690 to 2013 T llez shows how by and large all of them are iterations of the same basic structure p caro meets writer p caro tells life story writer eagerly writes it down This written mediation sometimes fictional but other times completely factual is presented as part of a transaction in which it is rarely clear who is exploiting whom Highlighting this ambiguity T llez s study brings into focus the role that the picaresque has played in the presentation of writers as disenfranchised and vulnerable subjects But as T llez demonstrates these narratives embody a discourse of precarity that goes beyond p caros and applies to all subjects who engage in the production and circulation of literature In this way T llez shows that the literary form of the picaresque is above all a reflection on the value of literature as well as on the place and role of writing in Mexican society more broadly The Picaresque and the Writing Life in Mexico is a unique work that suggests new paths for studying the reiteration of literary forms across centuries Looking at the picaresque in particular T llez offers a new interpretation of this genre within its national context and suggests ways in which this genre remains relevant for reflecting on literature in contemporary society It will be of interest to students and scholars of Latin American studies Mexican cultures and literatures and comparative literature **Dude Lit**

Emily Hind, 2019-05-28 How did men become the stars of the Mexican intellectual scene Dude Lit examines the tricks of the trade and reveals that sometimes literary genius rests on privileges that men extend one another and that women permit The makings of the best writers have to do with superficial aspects like conformist wardrobes and unsmiling expressions and more complex techniques such as friendship networks prizewinners who become judges dropouts who become teachers and the key tactic of being allowed to shift roles from rule maker the civilizado to rule breaker the barbaro Certain writing habits also predict success with the high and hard category reserved for men s writing and even film directing In both film and literature critically respected artwork by men tends to rely on obscenity interpreted as originality negative topics viewed as serious and coolly inarticulate narratives about bullying understood as maximum literary achievement To build the case regarding rebellion as conformity Dude Lit contemplates a wide set of examples while always returning to three figures each born some two decades apart from the immediate predecessor Juan Rulfo with Pedro P ramo Jos Emilio Pacheco with Las batallas en el desierto and Guillermo Fadanelli with Mis mujeres muertas as well as the range of his publications Why do we believe Mexican men are competent performers of the role of intellectual Dude Lit answers this question through a creative intersection of sources Drawing on interviews archival materials and critical readings this provocative book changes the conversation on literature and gendered performance

Más allá de las caracolas Marga Serrano, 2022-01-07 Más allá de las caracolas trata de la evolución psicológica y espiritual de una mujer en la cuarta etapa de su existencia En unas extrañas vacaciones en las que nada sale como estaba programado conoce una pequeña aldea al otro lado del océano que la atrapa emocionalmente y siguiendo un fuerte e incomprensible impulso traslada su vida allí Durante su estancia vive la experiencia de encontrar el amor verdadero que puede surgir en cualquier lugar con cualquier persona y cuando menos lo esperamos A partir de esa experiencia vital en la que no falta una oscura y enfermiza etapa de celos producto de su inseguridad emocional y de problemas de su pasado aún no resueltos comienza un camino de introspección y evolución que la lleva a conocer y tomar contacto con el mundo mágico al que generalmente no tenemos acceso lo que le hace darse cuenta de que no solo es real lo que vemos o tocamos Hay otras realidades que nos rodean como una especie de multiverso individual cuyo acceso solo es posible cuando se hace a través del corazón y la espiritualidad que supera ampliamente cualquier sentimiento relacionado con las religiones La protagonista a través de un duro camino de lucha interior contra las malsanas inclinaciones del ego y contra su propia razón finalmente accede también a un secreto ancestral que esconden los habitantes de la pequeña aldea convirtiéndose a partir de ese momento en copartícipe y guardiana del mismo
