Luther Refracted Reformers Ecumenical Legacy:

Luther Refracted Piotr J. Malysz, Derek R. Nelson, 2015-12-15 *Luther Refracted* speaks to the currency that Luther's life and thought continue to enjoy in today's Christian reflection. The contributors representing a variety of Christian denominations demonstrate Luther's lasting impact on their own traditions and together with the Lutheran respondents encourage a fresh understanding of the Reformer. In their at times vigorous engagement Luther's legacy comes to light not only as variously received but also as contradicted and transformed only to reemerge as a fruitful haven for further thought and transformation. All the essays presented here witness to Luther's significance as a formidable doctor ecclesiae, a teacher of the church. *Recovering the Ecumenical Bonhoeffer* Javier A. Garcia, 2019-10-14 In *Recovering the Ecumenical Bonhoeffer* Javier Garcia explores the possibilities for Dietrich Bonhoeffer's theology to revitalize interest in the ecumenical movement and Christian unity today. Although many commentators have lamented the waning interest in the ecumenical movement since the 1960s, the celebration of the 500th anniversary of the Protestant Reformation in 2017 coupled with recent inroads such as the ecumenical efforts of Pope Francis have opened new possibilities for the ecumenical project. In this context Garcia presents Bonhoeffer as a helpful model for contemporary ecumenical dialogue. He finds important points of convergence between Bonhoeffer and Calvin thereby establishing potential areas of rapprochement between the Lutheran and Reformed traditions. Beyond examining the state of ecumenism and unfolding the ecumenical promise of Bonhoeffer's thought, Garcia assesses the future of ecumenical engagement in a secular age. Altogether he proposes a recovery of the ecumenical Bonhoeffer for envisioning new possibilities for church unity in our day. **Luther's Theology of the Cross** Dennis Ngien, 2018-06-11 Luther was fundamentally a preacher, pastor, a care taker of souls whose ingenuity lies in his usage of the biblical message as a source of pastoral encouragement. This book seeks to capture the often overlooked pastoral side of the Reformer through an examination of his sermons on John's gospel. The sermons on John show the intrinsic close and causal link between doctrine and consolation. They are an exercise of his vocation as a pastor or more precisely as a theologian of the cross who seeks to inculcate the good news of justification by faith in his people, leading them to experience it within the dialectic of law and gospel. St. John said Luther is the master in the article of justification. Luther's theological method, namely his theology of the cross, permeates and governs the exposition of the text and all major themes of his theology. Christology, Trinity, and soteriology appear in his exegesis of John. *Luther@500 and Beyond* ATF Press, 2019-09-13 The Luther 500 anniversary may be behind us, but Luther stands ahead of us in many ways. The essays in this volume by an international group of scholars begin with a contextual discussion of Luther's definitive contribution to the Wittenberg Reformation and its significance for us today. New light is shed on old issues across a range of topics. But these essays do not stay in the past. Many also engage critically with contemporary issues in Luther interpretation, and a few boldly trace the trajectory of Luther's reformational theology into the future. **In the Spirit** Candace L. Kohli, 2024-11-14 How

does the Christian produce good works in service of her neighbor after justification In Martin Luther's famous 1520 treatise *The Freedom of a Christian* the Reformer claimed that Christ's love springs spontaneously from the Christian's soul as good works In Luther's late medieval theological context however this statement was incoherent with philosophical theories of moral action which required an interplay between the soul and body This problem persists in Lutheran theology today where human passivity in justification is extended over the Christian's entire temporal life Yet Luther seemed to find solutions to this question in his late controversies with Johann Agricola over law and gospel This study looks to pneumatological developments in that controversy for resources that support a more coherent view of moral action in the Christian life

Joseph Ratzinger and the Healing of Reformation-Era Divisions Emery de Gaál, Matthew Levering, 2019-11-01 Edited by Emery de Gaál and Matthew Levering *Joseph Ratzinger and the Healing of Reformation Era Divisions* examines Joseph Ratzinger Pope Benedict XVI's manifold contributions to Catholic Protestant theological reflection The collection opens with an introduction comparing Ratzinger's approach to ecumenism to that of Karl Rahner Rahner argues that the structural uniting of Protestants and Catholics should take place now without worrying about doctrinal differences In contrast Ratzinger argues that unity in Christ requires probing the doctrinal differences and seeking a deeper understanding of the reasoning of each side on the grounds that the truth of the Gospel that each side desires to preserve will ultimately be the basis for the only kind of Christian ecclesial unity worth having namely a unity of the basis of the truth of the Gospel of Jesus Christ Detailed essays follow treating a number of loci including papal primacy ecumenical principles liturgy evangelization Mariology Christ's birth and the celebration of Christmas public theology Christocentrism Martin Luther charity conscience missiology justification the reception of Ratzinger Benedict in Radical Orthodoxy and Scripture and Tradition These essays run the full gamut of Ratzinger Benedict's major themes and preoccupations Ten of the essays are by Catholic scholars and seven by Protestant scholars Contributors include many of the world's leading Ratzinger experts and the volume opens with an essay by Bishop Rudolf Voderholzer Director of the Pope Benedict XVI Institute in Regensburg Germany

Luther's Outlaw God Steven D. Paulson, 2021-02-16 In this third of three volumes addressing Luther's outlaw God Steven D Paulson says that readers will embark on the deepest hardest and most glorious of all God's ways of hiding God hiding a third time in the preached word or sacraments The third time is the charm not because humans finally awaken and get the essence of God God's preached word is not an act of human understanding It is a purely passive experience of receiving God wholly and completely in the absolving word that comes through the lowliest means of a sinful preacher Not only does this word come through a creature to a creature but through a sinner to a sinner The difficulty with grasping all of this is that God works entirely outside his divine law an outlaw God Luther is the one who saw this more clearly than any other because it happened to him just this way The preacher got a preacher and the sacraments that had once been organized by a legal scheme were set free to reveal and bestow God in the most hidden place of all How much more hidden

could God be than in water bread wine and the mouth of a preacher Paulson s grasp of historical theological and hermeneutical scholarship is on full display in this volume but always in service of proclamation of the gospel Readers and proclaimers prepare to be provoked enlightened and inspired *The Reformation* Steven M. Studebaker, Gordon L. Heath, 2021-04-16 Martin Luther s nailing of the Ninety Five Theses on the church door at Wittenberg was a pivotal moment in the birth of what would become known as the Reformation More than five hundred years later historians and theologians continue to discuss the impact of these events and their ongoing relevance for the church today The collection of essays contained in this volume not only engages the history and theology of this sixteenth century movement but also focuses on how the message and praxis of the Protestant reformers can be translated into a post Christendom West With contributions from Victor A Shepherd James Keller Gwenfair Walters Adams W David Buschart David Fitch Wendy J Porter Jennifer Powell McNutt **Encyclopedia of Martin Luther and the Reformation** Mark A. Lamport, 2017-08-31 The Encyclopedia of Martin Luther and the Reformation is a comprehensive global study of the life and work of Martin Luther and the movements that followed him in history and through today Organized by a stellar advisory board of Luther and Reformation scholars the encyclopedia features nearly five hundred entries that examine Luther s life and impact worldwide The two volume set provides overviews of basics such as the 95 Theses as well as more complex topics such as reformational distinctions Entries explore Luther s contributions to theology sacraments his influence on the church and contemporaries his character and more The work also discusses Luther s controversies and topics such as gender sexuality and race Publishing at the five hundredth anniversary of the Reformation this is an essential reference work for understanding the Reformation and its legacy today **Apprehending Love** Pekka Karkkainen, Olli-Pekka Vainio, 2020-09-29 This volume collects together articles which engage a variety of themes related to human and divine love The title of this book apprehending love employs the notion of apprehensio and especially its medieval background For example Martin Luther built his understanding of justification around this concept which on the one hand refers to intellectual comprehension but on the other hand means becoming one with the object itself In faith Christ becomes not only the outward object of our faith but its proper subject In a similar way when we love someone or something we are transformed according to the object of our love **The Freedom of Christian Theology** Piotr J. Malysz, R. David Nelson, 2024-12-15 Eberhard J ngel 1934 2021 belongs to the most creative wide ranging rigorous and demanding voices in twentieth century Protestant theology Over a long and distinguished career J ngel grappled with topics such as revelation responsible talk about God God s triunity Christology the nature of theological language analogy divine and human freedom love atheism and theological approaches to the state In all this he had followed perceptively yet critically in the footsteps not only of Martin Luther but also of G W F Hegel Dietrich Bonhoeffer Rudolf Bultmann Martin Heidegger and Karl Barth Despite the diversity of their own backgrounds and interests the contributors to *The Freedom of Christian Theology* *New Studies in Dialogue* with Eberhard J ngel all share the conviction that J ngel s legacy

lends itself to the same kind of constructive engagement that J ngel himself practiced The essays offered here bring J ngel s many sided contributions to bear on the theological philosophical and social challenges of today Each is an attempt to grapple in the spirit of Eberhard J ngel with the mysteries of today s world which no less demand analytical care and penetrating insight As an ongoing conversation with J ngel the essays model the freedom and joy of Christian theology to reflect on the world s complexities out of the riches of the Christian tradition

The Beauty of Preaching Michael Pasquarello,2020-08-27 What does beauty have to do with healing the fragmentation within our churches According to Michael Pasquarello everything Amid the cacophony of ugly political invective that dominates nearly every space today including church only God has the power to unify and heal through his truth and goodness revealed in his beauty And every Sunday those in the pulpit have the opportunity and responsibility to share this beauty with their parishioners Tapping into a long tradition that can be traced back to Augustine Michael Pasquarello explores a theological definition of beauty that has tremendous revelatory power in a post Christendom world A church manifesting this beauty is not merely a gathering of people but a place where God s new creation appears in the midst of the old creation ushered in by a pastor willing to make God the primary actor within the doxological craft of preaching

A Synodal Church Susan K. Wood,2025-04-23 Beyond the occasional events of synods in the Catholic church and beyond practices of synodality stands a church that is synodal in its very nature This ecclesial identity has its roots in baptism and the formation of the people of God prior to any subsequent division into laity and clergy These baptismal roots also point to the missional orientation of the church indicating that a synodal church is not self referential but serves the proclamation of God s saving mercy to a world thirsty for hope and healing A synodal church is a church on pilgrimage a church in movement that finds its path by drawing on the accumulated wisdom of the whole people of God as they journey together This book shows that the path forward only becomes clearer step by step through a process of dialogue conversion and co responsibility The journey takes place in different locales and different contexts consequently requiring adaptation to accommodate the circumstances of local churches Yet this diversified and de centered church also requires structures to keep it in communion and unity Any reform of church structures including practices of synodality serves the communion and mission of the church Other Christian communions Anglicans and Lutherans among them have traveled the path of synodality The Catholic Church can learn from their experience in the spirit of receptive ecumenism
