

LX3 Series User Manual

Safety Precautions

Before installing, operating, and maintaining the micro-programmable control, be sure to familiarize yourself with this user manual and other related manuals to ensure proper use. Please use it after you are familiar with the operation method, safety information and all precautions.

In this manual, safety precautions are classified into two categories: "warning" and "caution".

CAUTION Before installation, operation, maintaining and overhaul of the product, please be sure to read the user manual and other related manuals to ensure correct use.

WARNING Failure to follow the instructions in the manual may result in improper installation, use and storage of the equipment, which may result in personal injury or even death, and property damage.

Part 1 Design Precautions

WARNING

To ensure safety system operation, please configure emergency braking circuit, positive inversion circuit or other similar protection circuit for PLC, which protection circuit can prevent the damage to PLC or other devices.

- External power supply would break down unexpectedly.
- All outputs will be turned off, as an error be detected by PLC CPU during self-diagnosis, such as a watch dog timer error. When error cannot be detected, internal protection circuit may be disabled.
- The output state of relay or transistor in the PLC can't be controlled, when relay or transistor is damaged.

Part 2 Installation Precautions

WARNING

- Always make sure to install PLC on vertical plane, not on broadside.
- 50mm safe distance must be kept with other devices, and far away from the high-voltage power line, high-voltage device and the power equipment.

CAUTION

- Never use the product on condition with dust, oily smoke, conductive dusts, corrosive gas, flammable gas, vibration or impacts, or expose to high temperature, fire or rain.
- Do not leave anything in the vent, when installation or wiring is completed.
- Always make sure to remove the dust proof sheet from the PLC's vent when installation or wiring is completed.

Lx3 Manual Introduction

In today's digital age, the availability of Lx3 Manual books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lx3 Manual books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lx3 Manual books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lx3 Manual versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lx3 Manual books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lx3 Manual books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lx3 Manual books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lx3 Manual books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lx3 Manual books and manuals for download and embark on your journey of knowledge?
