Lyra's Oxford Philip Pullman, 2021-10-14 Lyra is terug in Oxford Ze helpt een vogel om het helende elixer voor zijn zieke heks te vinden Vanaf ca 13 jaar *Lyra's Oxford*, 2017 **Authenticity and Authentication of Heritage** Deepak Chhabra, 2021-05-27 Authenticity and Authentication of Heritage presents an assimilation of chapters that critically address some of the key emerging areas associated with authenticity It presents a variety of inspiring pieces of work that range from host guest authentication and intangible heritage to knowledge transfer processes authenticating heritage in fairy tale settings authenticity and anxiety in the smell of death and life understanding the boundaries of authenticity nostalgia sustainability marketing destination competitiveness examining affective connotations of authenticity and their contribution towards optimizing hedonic and eudaimonic well being during times of disruption The contentious concept of authenticity continues to be valorised in heritage tourism This scholarly initiative seeks to broaden the discursive parameters of authenticity and identify power mechanisms that shape the way authenticity is produced marketed and consumed This is an attempt to share contemporary views on how the contemporary notions of authenticity are derived interpreted applied processed and legitimised in local and global contexts Furthermore the significant relationship between health and authenticity is explored To put it simply this pandemic has significantly halted the way people connect with their cultural resources and seek authenticity within their inner selves and the outside realms in the heritage tourism system Heightened sense of global consciousness is a call to polish our authentic selves and elevate above inauthenticity or moral

hypocrisy So is authenticity an evolving story or is it a story of floating immobility Who can tell the story and who decides what elements to fossilise How can existentialist authenticity and self authentication promote moral selving and well being of the self and the society Many questions like these have emerged in recent literature and this book uses conceptual empirical and theoretical explorations to identify and engage with such inquiries The chapters in this book except for the concluding chapter were originally published as a special issue of the Journal of Heritage Tourism

Unlocking the Love-Lock Ceri Houllbrook, 2021-01-13 Explores the worldwide popularity of the love lock as a ritual token of love and commitment by considering its history symbolism and heritage This is an eminently enjoyable and thorough investigation of a popular phenomenon through the lens of heritage and folk tradition Sara De Nardi Western Sydney University A padlock is a mundane object designed to fulfil a specific and secular purpose A contemporary custom has given padlocks new significance This custom is love locking where padlocks are engraved with names and attached to bridges in declaration of romantic commitment This custom became popular in the 2000s and its dissemination was rapid geographically unbound and highly divisive with love locks emerging in locations as diverse as Paris and Taiwan New York and Seoul Melbourne and Moscow From the introduction I was distractedly perusing the photo frame aisle my eyes skimming the generically sentimental stock pictures of happy families smiling at the camera pretty landscapes cute pets and couples walking hand in hand when I came across one that jumped out at me I recognised the image instantly as a photograph of love locks the padlocks that had been appearing en masse on bridges and other public structures on a global scale since the early 2000s And having been researching the custom known as lovelocking for about five years at that point it was with a peculiar sense of pride that I realised love locks had accomplished the status of a stock image
