## **Grace Unknown The Heart Of Reformed Theology:**

Grace Unknown R. C. Sproul, 1997 R C Sproul has undertaken to make Reformed theology clear and comprehensible to the general reader focusing on its most fundamental doctrines and locating their source in Scripture At the heart of Reformed theology Sproul finds true grace **The Decline of African American Theology** Thabiti M.

Anyabwile, 2009-08-20 Thabiti Anyabwile argues that contemporary African American theology has fallen far from the tree of its early American antecedents This book is a goldmine for any reader interested in the history of African American Christianity With a foreword by Mark Noll **What is Reformed Theology?** R. C. Sproul, 2005-06 Few evangelical

Christians today understand Reformed theology even though it has become an immensely influential theological tradition Recognizing only key terms relating to predestination or the five points many Christians want a better explanation of the concepts and beliefs that make up a Reformed perspective What is Reformed Theology is an introduction to a doctrine that has eluded so many evangelical Christians And who better to teach about Reformed theology than R C Sproul In thoroughly expounding the foundational doctrines and five points Sproul asserts the reality of God s amazing grace For anyone wanting to know more about Reformed theology this candid book offers a coherent and complete introduction to an established belief Previously published as Grace Unknown

Justification Paul ChulHong Kang, 2006 This book returns to the true nature of the gospel justification by grace alone through faith alone because of Christ alone Fundamental to the book s argument is a rejection of the biblical truth and the faithful heritage of the gospel By tracing the development of Reformation theology in Luther and Calvin the giants in the American Great Awakening and the Korean revivals are brought up for analysis Jonathan Edwards Timothy Dwight Sun Ju Kil Ik Doo Kim Yong Do Lee and Sung Bong Lee Paul ChulHong Kang makes clear what can be at stake not merely for academic theologians but for all Christians the gospel itself **The Layperson's Library** Robert

A. Yost, 2020-12-30 In the spirit of Cyril Barber s classic work from the 1970s *The Minister s Library* and the author s 2017 book *The Pastor s Library* Robert Yost provides the same expert guidance now for a lay audience Finally laypersons who desire to study the Bible have an invaluable resource for the acquisition of research tools as well as general Christian reading From general reference works such as Bible atlases and concordances commentaries devotional works and theological studies to Christian biography and fiction this book is a trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses Overwhelmed by the proliferation of Christian books on the shelves This handy guide is the book for you **Getting the Gospel Right - A Balanced View of Salvation Truth** Carl Gordon Olson, 2005-11 A revised and

abridged edition of *Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation* in which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support

for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006

The Faith That Saves Fred Chay, John P. Correia, 2012-08-21 There is no more important issue in theological study than the meaning of faith in the New Testament The perennial problem of the misunderstanding concerning the nature of faith has produced a variety of theological errors as well as pastoral problems for the church In a day of rampant theological confusion concerning justification by faith the nature of faith is paramount This book provides a penetrating examination through exegetical precision concerning the nature of faith For those who believe in faith alone in Christ alone this book will guide you into an understanding of what faith is and what it is not This is a book that needed to be written and a book that must be read Earl Radmacher ThD President Emeritus Western Seminary Most evangelical Protestants agree that salvation is by faith alone in Christ alone However what they cannot agree on is the meaning of faith Are there different kinds of faith in the Bible Is there saving faith and non saving faith Is faith a matter of the mind or the mind and the emotions or the mind emotions and will Is faith active or passive on the part of the believer Is it a gift of God or a work of man All these questions and many more are explored in depth by Chay and Correia They have done a commendable job of dealing with words studies grammatical nuances and debated passages Such a work is long overdue Dave Anderson PhD President and professor of Theology Grace School of Theology President Free Grace Alliance

*The Christian's Highest Good* Douglas Vickers, 2014-04-07 Competing worldviews cast their impact on the church and the Christian confession What does it mean to be a Christian in an age that threatens cultural dissolution Related questions press on a calm consideration of the meaning of the Christian life Who is Jesus Christ of whose salvific work the Christian confession depends Why did Jesus Christ come into the world What is to be said of the human condition following the Adamic fall which as John Milton says brought death into the world and all our woe What is the Christian's highest good the grounds on which it has life determining relevance and what are its existential implications In this closely reasoned and biblically informed examination of those questions Douglas Vickers concludes that the Christian's highest good exists in fellowship with the Father The practical and everyday significance of that fellowship is addressed at length and the meaning and prospect of each Christian's eternal life is shown to be grounded in a vital and indissoluble union with Christ

**Covenant Theology** Jeong Koo Jeon, 2004-11-03 In

Covenant Theology author Jeong Koo Jeon makes a much needed contribution to 21st century biblical and systematic theology. He explores the debate between John Murray and Meredith G Kline placing their ideas in the larger context of Biblical studies that have had a direct influence on Reformed theology and evangelicalism. Although the theologies of Murray and Kline contain significant differences they both maintain a distinction between a covenant of creation and a covenant of grace. In addition they both advocate a fundamental antithesis between law and gospel giving a priority to law over gospel in the temporal and logical order of divine works. Jeon sees these distinctions as hermeneutic tools that are essential for better understanding of biblical revelation as well as faith, grace and atonement. **Gospel Allegiance** Matthew W.

Bates, 2019-09-17 Is faith in Jesus enough for salvation? Perhaps says Matthew Bates but we're missing pieces of the gospel. The biblical gospel can never change. Yet our understanding of the gospel must change. The church needs an allegiance shift. Popular pastoral resources on the gospel are causing widespread confusion. Bates shows that the biblical gospel is different, fuller and more beautiful than we have been led to believe. He explains that saving faith doesn't come through trust in Jesus's death on the cross alone but through allegiance to Christ the king. There is only one true gospel and one required response: allegiance. Bates ignited conversation with his successful and influential book *Salvation by Allegiance Alone*. Here he goes deeper while making his acclaimed teaching on salvation more accessible and experiential for believers who want to better understand and share the gospel. *Gospel Allegiance* includes a guide for further conversation making it ideal for church groups, pastors, leaders and students. **The Kingdom of Christ** Russell Moore, 2004-10-18 In this scholarly work Russell D. Moore relates the history leading up to the new Kingdom consensus among evangelicals from the time theologian Carl F. H. Henry called for it fifty years ago. He examines how this consensus offers a renewed theological foundation for evangelical engagement in the social and political realms. While evangelical scholars and pastors will be interested in this sharp, insightful book, all evangelicals interested in public policy will find it useful in discovering how this new Kingdom perspective works out in the public square. Who Can Be Saved? Terrance L. Tiessen, 2009-09-20 Throughout history millions have

lived and died without hearing the gospel of Jesus Christ. Despite vigorous missionary efforts, large populations of the world today have never been evangelized. And now religious pluralism has set up shop on Main Street. The question, "Who can be saved?" forces itself on the minds of Christians like never before. Is there a wideness in God's mercy? Does God reveal himself in a way that invites all people to respond positively in saving faith? Does one have to be an Arminian to believe so? Or is there a way for Calvinists to see how God might reveal and save apart from the explicit gospel and yet exclusively through Jesus Christ? And if so, what does this say about the role of religions within the sovereign providence of God? These are big questions requiring thoughtful care. In this intriguing study, Terrance L. Tiessen reassesses the questions of salvation and the role of religions and offers a proposal that is biblically rooted, theologically articulated and missiologically sensitive. This is a book that will set new terms for the discussion of these important issues. The Heart of Reformed Theology R. C. Sproul, 1997

R. C. Sproul Stephen J. Nichols, 2021-02-04 Introducing the First Biography of the Life and Ministry of R C Sproul R C Sproul 1939 2017 was a pastor a professor an author and the founder and president of Ligonier Ministries His contributions in the areas of biblical studies theology worldview and culture Christian living and church history continue to be held in high regard In this book Stephen J Nichols offers an in depth look at Sproul s life and ministry his childhood his formative seminary education his marriage and partnership with his beloved wife Vesta his influence on broader American evangelicalism and his many friendships with key figures such as James Montgomery Boice John MacArthur John Piper J I Packer and Chuck Colson This biography details the profound impact Sproul had on the lives of many during his lifetime and highlights the various ways his legacy continues to influence countless pastors and students worldwide **Justified by Faith Alone** R. C. Sproul, 2010-04-01 Luther said that the doctrine of justification by faith alone is the article upon which the church stands or falls R C Sproul follows Luther s lead in his concise and compelling work now repackaged and republished Justified by Faith Alone surveys the main tenets of the doctrine of justification in Roman Catholicism and evangelicalism Sproul is careful to accurately represent Catholic beliefs and observes that while both traditions agree that faith is necessary for justification the difference lies in whether faith alone is sufficient He explores problems with the Catholic doctrine and champions the sole sufficiency of Christ for our salvation Effective and engaging Sproul does not shy away from difficult theological terms and ideas but capably guides readers through this famous doctrinal dispute To those who decry the doctrines of imputation and justification by faith alone as legal fiction Sproul warns that nothing less than the central message of the gospel is at stake *Daddy's Little Girl and Mommy's Little Boy* Zester Hatfield, 2005-05-04 Mr Hatfield with all of his years of experience in marriage parenting family missions and in the Church pulls no punches in calling Christ s Bride to return to His Truth God s revealed Law Word regarding discipleship men and women of faith and grace in Manhood and Womanhood outrageously successful spousal relations parenting with training in romance sexual satisfaction love and marriage He is calling all believers especially men to confession and repentance and to receive understand and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the Church in the 21st Century Not for the weak kneed weak minded or humanistically influenced this is for Christ s Bride as we prepare for and anticipate His return These applications of God s revealed Law Word and His uncommon common sense in the lives of America s postmodern Christian culture and especially the promise of duplicating of these successes for love and marriage in our children is exciting and challenging to the point of precedent setting magnitudes The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture Based on interviews with more than 1000 adults nationwide the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally physically spiritually intellectually or physically Fewer than one out of every twenty adults believes that America s youngsters are receiving above average preparation in all five of

those areas of life Americans Agree Kids Are Not Being Prepared for Life The Barna Group October 26 2004 The couples who discover the answers to the moral morass of our postmodern Christian culture are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future Sadly the statistics of broken homes divorces adultery domestic violence drugs and promiscuity to mention only some of the ills of our culture are almost equally divided between Christian families and non Christian families This is unacceptable as a comparison and must change Consequently fathers and mothers of faith and grace are those who are and or who will experience God s promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God s gifts of love sex and romance in marriage Daddy s Little Girl and Mommy s Little Boy brings us clear evidence of just how America s Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters Glory Road Anthony J. Carter,2009-06-17 Ten African American leaders in the church tell their stories of how they embraced Reformed theology and what effect it has had on their lives and ministries The ten men who have contributed to this book are often asked How did you come to embrace Reformed theology With the recent surge in popularity of Reformed theology in the broader evangelical world and the growing interest among African Americans it shouldn t seem curious that more and more African American churchmen are embracing Reformed theology But the question remains and Glory Road provides an answer using personal accounts tracing their conversion to Christianity their introduction to and embrace of Reformed theology and this theology s effect on their lives and ministries Ultimately Glory Road is about the glory of God in providentially bringing men and women to the truths of salvation In addition to the book s editor Anthony J Carter Glory Road includes contributions from such notable pastors as Thabiti Anyabwile Ken Jones Michael Leach and Eric Redmond **Calvin and the Federal Vision** Jeong Koo Jeon,2009-06-12 John Calvin 1509 64 was the pinnacle of the sixteenth century Protestant Reformation in Europe As we celebrate the five hundred year anniversary of his birth it is worthy to explore Calvin s covenant theology which may be one of the best windows to understand and evaluate his theology as a whole In recent years the Federal Vision has been surfaced in the American conservative Reformed and evangelical circles It has strong hermeneutical theological and practical attachment with Calvin Although Calvin was a covenant theologian he firmly maintained the evangelical distinction between law and gospel especially in his exposition of justification by faith alone sola fide and salvation by grace alone sola gratia with a balanced emphasis of believers covenantal obedience Moreover we will find out that Calvin not only applied the distinction between law and gospel to soteriology but also in the depiction of redemptive history In Calvin the distinction between law and gospel was foundational for the depiction of biblical vision of eschatology in the Garden of Eden before the Fall and under the Old Covenant However the exponents of the Federal Vision deny any validity of the distinction between law and gospel in hermeneutics theology and practice while they identify themselves with those of Calvin In that sense we may identify the Federal Vision not with the Protestant Reformation and Calvin but as consistent monocovenantalism in which

they deny the distinction between law and gospel and apply that monocovenantal principle consistently to their understandings of hermeneutics soteriology the doctrine of double predestination and sacramental theology

**Faith and Reason** Brian Besong, Jonathan Fuqua, 2019-05-01 Too smart to believe in God The twelve philosophers in this book are too smart not to and their finely honed reasoning skills and advanced educations are on display as they explain their reasons for believing in Christianity and entering the Roman Catholic Church Among the twelve converts are well known professors and writers including Peter Kreeft Edward Feser J Budziszewski Candace Vogler and Robert Koons Each story is unique yet each one details the various perceptible ways God drew these lovers of wisdom to himself and to the Church In every case reason played a primary role It had to because being a Catholic philosopher is no easy task when the majority of one's colleagues thinks that religious faith is irrational Although the reasonableness of the Catholic faith captured the attention of these philosophers and cleared a space into which the seed of supernatural faith could be planted in each of these essays the attentive reader will find a fully human story The contributions are not merely collections of arguments they are stories of grace
