Graceful Speech An Invitation To Preaching:

Graceful Speech Lucy Lind Hogan, 2006-01-01 In this introductory text Lucy Lind Hogan helps the reader understand the theological task of becoming a preacher the craft of writing the sermon and the importance of communicating the gospel in the present world In doing so she creates a book that is more holistic than any other homiletics text currently on the market Hogan begins with a theological rationale for preaching which serves as a basis for understanding the identity of the preacher She then explores the context for preaching showing how to interpret a scriptural text design a sermon and use illustrations and examples She also discusses preaching for special occasions the use of different technologies in preaching and the importance of delivery This book includes questions for reflection

Preaching and Paul's Letter to the Romans Ronald J. Allen, 2025-07-10 Ronald J Allen argues that the apostle Paul wrote his letter to the Romans to address specifically the gentiles in the congregation in Rome Allen suggests that this was because the gentiles exhibited arrogant behavior towards Jewish members of the community thereby undermining a primary facet of the early church to witness to the community of love and mutual support that God seeks for all Allen shows readers how Paul points the gentiles to the faithfulness of God who invites them to recognize and live according to the grace of God shown to them through Jesus Christ In this pastorally engaged work Allen not only provides historical commentary on Romans but also helps preachers and scholars make connections between arrogance and its destructiveness in communities today as well as inviting congregations to participate in the grace that makes possible a loving and mutually respectful community

What's Right with Preaching Today? Mike Graves, Andre Resner, 2021-03-09 In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in Harpers Magazine What s the Matter with Preaching Today he did not know that one response to that question had just entered the world in Humboldt Tennessee Fred B Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive often called the preaching as storytelling revolution and in so doing brought renewed interest and impact to the practice of preaching effectively rescuing it from an often tedious and moralizing fate With Fred preaching was anything but boring Rather it was an exciting and enlightening ride that led to the renewal of faith To honor Craddock s legacy Mike Graves and Andr Resner invited ten leading voices in homiletics to identify something that is right about preaching today In addition they issued a call to a wide variety of people to contribute stories about Fred s impact on their lives and ministries Twenty seven remembrances of Fred are included here throughout the book If you appreciate effective and engaging preaching as either a preacher or listener the essays and remembrances here will speak to you and provide encouragement about preaching s present and future With contributions from Ronald J Allen Barbara K Lundblad Alyce McKenzie Debra J Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni Wilhelm Paul Scott Wilson

Distance in Preaching Michael Brothers, 2014-09-22 Based on several years of teaching and careful observation in preaching classes this book by Michael Brothers explores the benefits of distance in preaching and listening to sermons

Having noticed that sermon listeners generally want to be given room for their own interpretations and experiences Brothers argues that critical and aesthetic distance as a hermeneutical tool is vital to hearing the gospel today and should be intentionally employed in sermon construction and delivery He explains this distance in the field of homiletics equips teachers and students of preaching to evaluate the function of distance in sermons and encourages preachers to practice the use of distance in their preaching *Unexpected Grace* Gennifer Benjamin Brooks,2012-07-01 The Bible is often difficult to comprehend for those in the pews Even those who value preaching as an important element of their ministry are challenged when confronted with difficult texts Brooks welcomes the challenge and offers methods aimed at developing sermons that allow the good news to shine through even the most difficult of Bible texts Slow of Speech and Unclean Lips Robert Stephen Reid,2010-01-01 Historically people who have risen to the occasion to speak of faith for their generation have been keenly aware of their own limitations whether Moses who was slow of speech or Isaiah who was concerned that he spoke with unclean lips The question both Moses and Isaiah seem to be asking is who am I to speak for God And we wonder in turn was it they who spoke or God who spoke through them These biblical images carry the weight of the question raised by the essays in this volume How is preaching both the work of God and yet also a function of the individual s own person and identity How is the preacher to conceive the identity he or she assumes when proclaiming the Word of God Some of the leading educators in homiletics today propose a variety of possible preaching identities in this volume preacher as messenger of hope as lover as God s mystery steward as ridiculous person as fisher as host and guest as one out of one s mind and as one entrusted The result is an open ended invitation for readers to identify their own preaching identity either in concert with one of the images presented here or of their own making appropriately contextualized to their own ministry and theology *How Women Transform Preaching* Leonora Tubbs Tisdale,2021-04-06 Women preachers are everywhere The pulpit once a bastion of male presence and power has become in many denominations a place where women regularly exercise their gifts leading congregations and proclaiming God s word each week The number of women scholars who are publishing and teaching in the field of preaching has also expanded dramatically Leonora Tubbs Tisdale explores how the presence of women preachers and scholars of preaching has transformed the practice of homiletics this country from the reclamation of women s herstory in preaching to the topics addressed in preaching and scholarship to the way in which Biblical hermeneutics and theologizing are undertaken in preaching to the imagery illustrations shape and embodiment of the sermons themselves *How Women Transform Preaching* begins with a fascinating survey including statistical information and historical analysis Interviewing 16 women preachers homileticians Tisdale shares untold stories of women preachers throughout history who are largely unknown but who serve as examples of both the struggle and power of women s preaching She then tells the stories of contemporary women preachers Throughout Tisdale draws practical lessons for the reader showing what students homileticians and preachers can learn from extraordinary women preachers Preaching the

Ward, 2019-03-19 Preaching is a way of life that can be beautiful and good however It can also be anxious self focused and destructive Preachers and teachers of preaching need a holistic view of preaching that not only paints the way to good preaching but also to good living They need a comprehensive practical theology of preaching that combines the why and the what with the how and whom of preaching *Practicing the Preaching Life* unites Christian practices contextual virtues and the best of homiletical pedagogy to pave the way to a beautiful preaching life Preaching is best learned as a formative Christian practice embedded within a web of other Christian practices that form a way of life from which great sermons emerge Therefore preaching requires not only a way of speaking well but also a way of living well This embedded nature of preaching requires the enrollment of Christian practices in the formation of the preacher and the pursuit of contextual virtues for preaching that avoid cultural relativism on the one hand and cultural imperialism on the other These requirements lead to a new vision for the preaching classroom the rhythms of the preaching life and the definition of what it means to be a good preacher The Christian Year Robin Knowles Wallace, 2011 Through worship we move learn encounter and celebrate in God's time In this concise introduction Dr Knowles Wallace gives practical worship and preaching suggestions for each season of the Christian year as it relates to the Revised Common Lectionary Setting Words On Fire Paul Scott Wilson, 2016-04-25 A comprehensive introduction to preaching emphasizing the encounter with God's grace as the goal and heart of the sermon *Feminine Registers* Jennifer E. Copeland, 2014-10-16 Women have been adding their voices to the

proclamation of the gospel for as long as there has been a gospel to proclaim but only in the last half century have these voices become part of the official catalogue of Christian preaching Diagnosing the distinctiveness of women's voices and exploring the richness they convey about the presence of God requires a detailed look at the meaning making strategies used by those who preach and those who listen Register provides a tool for analyzing not only the theological and semantic contributions of women but also demonstrates how gender impacts the meaning making possibilities of the sermon Feminine Registers offers a gendered analysis of preaching that does not rely on essentialist claims about gender and moves the analysis of the preaching beyond sermon content to include the relational dynamics operating between the communicating parties and the medium used to communicate A critical examination of this constellation of meanings influenced by gender related issues of authority and self disclosure helps illuminate the production of meaning within the church and expands the homiletical possibilities for the Christian faith

Learning to Speak of God Mason Lee, 2023-11-16 What difference does the virtue of patience make for our ability to engage deeply in the practice of patience And how does patience help us grasp the something more that is at the heart of preaching excellence Learning to Speak of God argues that the virtue of patience is vital to our faithful and deep preaching practice that patience is a homiletical virtue In doing so this volume asks us to consider the role of character in preaching and the work of specific virtues as we go about our preaching practice Along the way it names the importance of patience as a long acknowledged Christian virtue and considers anew how this virtue shapes and empowers the practice of those who desire to preach in ways that participate in God's transforming work For those who study practice or care about preaching this volume identifies how any notion of what it means to preach well calls for those whose practice is infused with the virtue of patience

Heavenly Imagery and Symbolism in Matthew's Gospel

Daehoon Kang, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew's heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew's distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God's plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25:31-46
