

Graduation Speech

Hello. It is an honor for me to be here tonight to bring greetings and congratulations from the school board.

As I began thinking about what I should say to you, I discovered that I could go on for hours talking about your years at (*name of school*) High School . . . about the experiences you've had which prepared you for this day and for the future. I began making notes about all the advice I should share with you and about all of the many topics I wanted to cover.

Then a friend reminded me about the fate of the famous Greek philosopher, Socrates, who lived a long, long time ago.

Socrates was very intelligent. But Socrates gave long speeches, and his friends killed him.

Since I am no Socrates . . . nor do I want to end up like Socrates . . . I will be brief and to the point.

Tonight (*number of graduates*) seniors are graduating from (*name of school*) High School. The room is packed with your friends and relatives, and every person here is proud of you . . . of your accomplishments . . . and of the goals that you have reached. If each of us were to write down a definition of a successful graduate, we would quickly discover that some of the same words and phrases would be repeated over and over again. Common themes would be – dedication, perseverance, integrity, honesty, conscientiousness, dependability and hard work.

Everybody's, 1926 Skits That Teach Eddie James, Tommy Woodard, 2010-02-23 I've watched the Skit Guys for more than 10 years. Eddie and Tommy are storytellers. They were telling stories before storytelling was all the rage. In their latest book, the Skit Guys let us peek inside their incredibly creative minds. Allen Jackson, New Orleans Seminary. When it comes to skits, the Skit Guys have the corner market on the good stuff. They are engaging, thought provoking, and hilarious without being cheesy or cliché. Their unique style is clean, clever, clear, and funny. You can't go wrong with these two. Darren Whitehead, Director of Next Gen Ministries, Willow Creek Community Church. I've been in student ministry for over 30 years, and the Skit Guys are pretty much the greatest skit guys ever. Here's another resource from the chimerical minds of Eddie and Tommy that will help us youth workers in the trenches. This book will aid you greatly in your continuous pursuit of excellence in the world of drama. In other words, buy this freaking book. Bob Johns, First Woodway, Waco, Texas, the guy that gave them their first gig. 35 CHEESE FREE SKITS. If you're looking for fun and creative ways to involve your students in learning, you can stop looking. Skits That Teach provides you and your students everything you need to act out funny and compelling skits with total confidence. Search by topic or by group size to find the perfect comedic or dramatic sketch to help illustrate a point or just start a dialogue. The Skit Guys, Eddie James and Tommy Woodard, have tested these skits on teenagers around the country, and they've brought together some of the best for this great resource. Plus, they give you everything you need for each skit: overview, characters, location, Scripture reference, props, direction pointers, and a complete script. The Skit Guys avoid the cheesy dialogues and scenes typically found in Christian dramas and instead bring fun characters, witty scripts, and entertaining situations to their skits, all categorized by Skits for Idiots, it would take an idiot not to be able to do them right, Monologues, Duets, Ensembles, Comedy, Drama, Scripture Readings. THE SKIT GUYS are Eddie James and Tommy Woodard, two high school friends who love to communicate God's Word in dynamic and captivating ways through the use of drama, teaching, and comedy. They've been involved in various ministries and impacting lives for more than a decade. The duo has written numerous dramas, plays, and humorous skits that cover a wide variety of topics. They're the authors of *Instant Skits*, along with their own Skit Guys resources. Eddie James has coauthored four volumes of the *Videos That Teach* series with Doug Fields.

It's OK if You're Clueless Terry McMillan, 2006-04-25 When her son Solomon graduated from high school, Terry McMillan was asked to be the guest speaker at the commencement ceremony. Determined not to be dull or redundant, Terry thought back to when she was stepping out into the world for the first time and the things she wished people had told her. Now with *It's OK if You're Clueless*, Terry McMillan brings her trademark wit and sass to every son and daughter about to take their first tentative steps into adulthood.
