GRAND PRIX GUIDE 85

PORTUGAL

Playing TAG

McLaren have done it again. Alain Prost continued his domination of the end of last season on to Brazil 10 days ago, taking his McLaren-TAG MP4/2B to another commanding victory, his 17th in all and third in succession.

So, Prost will arrive at Estoril already atop the points table, a situation he will no doubt be keen to build upon. Judging from the form at Rio, both Williams cars should be well in the hunt — and remember that Rosberg led the early stages of last year's Portuguese race — as should be the pretty new Ferraris, the Lotus-Renaults and Nelson Piquet's Brabham-BMW BT54.

Estoril should also be notable for the debut of Jonathan Palmer in the new Zakspeed turbo car. Developed entirely in West Germany, the attractive, purposeful car has already shown respectably well during early testing. The former European Formula 2 Champion picked up valuable F1 experience with the RAM team last year and will be hoping to put that to good use in developing Erich Zakowski's new car.

The 2.70-mile Autodromo do Estoril staged last season's World Championship showdown and proved a worthy venue, possessing the correct ingredient for an exciting race: a challenging corner onto a long straight.

Alain Prost dominated the race headed only for six laps by Keke Rosberg's final defiant gesture to 1984 with the understeering Williams FW09B. Both Telemans showed well with Senna third and Johansson delaying Lauda's charge to a championship-winning second place.

Alain Prost, winner of the last three Grands Prix, waits patiently in his McLaren-TAG.

ESTORIL

Situated 31.5kms west of Lisbon and 6.5kms north of Estoril, the Autodromo do Estoril first hosted the Portuguese Grand Prix last year, and was the scene of the World Championship showdown between the McLarens of Niki Lauda and Alain Prost. The last major single-seater race held there previously was a Formula 2 counter in 1977 which was won by Didier Pironi (Martini MK22). Ironically, at that event, last year's Grand Prix winner, Prost, had qualified on the back of the grid and failed to finish.

A glance at an annotated lap of the circuit shows five second gear corners and a resultant lack of passing opportunities around the back section of the track. However, the track's saviour is a quick fourth gear right-hander which leads onto the pits straight and is followed by another right-hander, which, although almost a 90° corner, is still taken in fourth gear and forms part of the quicker section of the 112mph average lap. Last year's race saw nearly all overtaking completed under braking for this corner and many attempts at resistance, most notably by Keke Rosberg's Williams. To be able to effect a passing manoeuvre, a car must handle well through the corner onto the straight, and it was this factor that enabled Niki Lauda to charge through the field from a start position of 11th to collect his championship-securing six points last year. With cars of a similar performance, however, overtaking is more difficult and an opportunity does exist at the end of the short return straight under braking for the second gear hairpin.
