Knock Knock Vouchers For Lovers:

Love and Forgiveness for a More Just World Hent de Vries, Nils F. Schott, 2015-11-03 One can love and not forgive or out of love decide not to forgive Or one can forgive but not love or choose to forgive but not love the ones forgiven Love and forgiveness follow parallel and largely independent paths a truth we fail to acknowledge when we pressure others to both love and forgive Individuals in conflict sparring social and ethnic groups warring religious communities and insecure nations often do not need to pursue love and forgiveness to achieve peace of mind and heart They need to remain attentive to the needs of others an alertness that prompts either love or forgiveness to respond By reorienting our perception of these enduring phenomena the contributors to this volume inspire new applications for love and forgiveness in an increasingly globalized and no longer quite secular world With contributions by the renowned French philosophers Jacques Derrida and Jean Luc Marion the poet Haleh Liza Gafari and scholars of religion Leora Batnitzky Nils F Schott Hent de Vries psychoanalysis Albert Mason Orna Ophir Islamic and political philosophy Sari Nusseibeh and the Bible and literature Regina Schwartz this anthology reconstructs the historical and conceptual lineage of love and forgiveness and their fraught relationship over time By examining how we have used and misused these concepts the authors advance a better understanding of their ability to unite different individuals and emerging groups around a shared engagement for freedom and equality peace and solidarity

Blind Love Bruce E. Hall,2005 So many of us miss out on love because we fear what others may think about what we should do or whom we should love When we find love we should close our eyes because it s not to be seen It s to be felt Love is a human emotion set apart from race creed or color It s not what or who we were It s who we have become Love changes the way we think and what we believe It s an emotion that comes briefly for some but for others it lasts a lifetime This book was written for those who treat love as though it were clothing something we try on and discard if it doesn t fit For those who believe love can be put on hold until we decide it s time and for those who look for love only after looking at race know this
