Knocking On Heavens Door A Novel:

Knocking on Heaven's Door Sharman Apt Russell, 2016-01-12 On a hotter and more volatile earth in the twenty third century humans like Clare and Jon live in utopia hunting and gathering in small tribal bands engaged in daily art and ritual reunited with old friends like the shaggy mammoth and giant ground sloth Even better they still have solar powered laptops and can communicate with each other around the world The understanding of physics has also advanced When scientists first cloned extinct species from the Pleistocene they discovered that many of them were telepathic that consciousness travels in waves For most people animism has become the preferred religion a panpsychism compatible with the laws of a fractal holographic universe As Clare tells one of her students the return to an older Paleolithic lifestyle is one of humanity's greatest achievements It's too bad that utopia had to come at such a cost a genetically engineered super virus that wiped out most of earth's human population Humanity was shaken by that event and humanity vowed to change Now on the 150th anniversary of that catastrophe a small group of men and women as well as a smarter than average dire wolf and saber toothed cat are suddenly faced with decisions in which the stakes are higher than ever before Will earth repeat the cycle of unbridled hubris Or is humanity's destiny even stranger than that Skyhorse Publishing under our Night Shade and Talos imprints is proud to publish a broad range of titles for readers interested in science fiction space opera time travel hard SF alien invasion near future dystopia fantasy grimdark sword and sorcery contemporary urban fantasy steampunk alternative history and horror zombies vampires and the occult and supernatural and much more While not every title we publish becomes a New York Times bestseller a national bestseller or a Hugo or Nebula award winner we are committed to publishing quality books from a diverse group of authors *Knockin' on Heaven's Door* Roland Boer, 2012-10-12 Knockin On Heaven's Door offers a critically sophisticated and truly interdisciplinary analysis of the relationship between biblical studies and contemporary culture Specific biblical texts are examined in the light of cultural criticism and areas of popular culture including pornography heavy metal music and McDonald's hamburgers in the light of biblical criticism [Knock, Knock, Knocking On Heaven's Door](#) Tammy Lyons, 2014-12-02 In the novel Knock Knock Knocking On Heaven's Door members of the 27 Club Janis Joplin Jimi Hendrix and Jim Morrison arrive in heaven They find themselves onstage at a talk show hosted by Jesus The three don't know why they're there or what's going on They doubt they should even be in heaven what with the lavish lifestyles that they've led which included sex drugs and rock n roll Eventually their humanity is called into question Their pasts come to haunt them and one by one the three relive their lives on earth Their old loves and pain are replayed before their eyes Jesus is toying with the artists getting His kicks as each of the guests experience misery Their tortured souls and losses only make them more human Are the musicians alive or dead Are they in heaven or hell One by one they question their existence and whether they will make it up the stairway to heaven [The Almost True Story of Ryan Fisher](#) Rob Stennett, 2009-05-26 Meet Ryan Fisher a self-assured real estate agent who's looking for an edge in the market While

watching a news special late one night he sees evangelical Christians raising their hands in worship It s like they re begging for affordable but classy starter homes Ryan discovers the Christian business directory and places an ad complete with a Jesus fish His business doubles in a week But after visiting an actual church Ryan realizes that with his business savvy he could not only plant a church he could create an empire The Almost True Story of Ryan Fisher is a hilarious spot on and often heartbreaking satire in the tradition of Kurt Vonnegut Tom Perrotta and Douglas Adams

The Path Of The Omega Point: The novel that foretold the destruction of Mexico... and the world Luis Berman,2023-12-29 The story is set in a near future where reality and fantasy coexist The consequences of poor decisions made by humanity society and individuals have taken a toll Pre Hispanic and European mythology converge in this tale It follows the journey of a hero a warrior as they navigate the battle between Light and Darkness across di erent alternate worlds stacked on top of each other It follows the journey of a hero a warrior as they navigate the battle between Light and Darkness across di erent alternate worlds stacked on top of each other It follows the journey of a hero a warrior as they navigate the battle between Light and Darkness across di erent alternate worlds stacked on top of each other Decisions hold the key to freedom The text aims to question political and religious discourses and encourage re ection through everyday phrases and elements In the year 2077 Mexico City is in ruins and globalized popular culture is intertwined with characters from other worlds and dimensions Gargoyles and angels demons and shaman nahuales ght to the death In the Plaza de Toros Mexico Mexican prison inmates engage in ghts reminiscent of the Roman coliseum The ghts involve chases shootouts and explosions between rusty Ford Raptors and rebuilt Harley Davidsons in the middle of Insurgentes and Reforma avenues which have been devastated by social movements earthquakes and pandemics A war helicopter destroys the Angel de la Independencia with a missile The scene is full of action blows and explosions Our characters listen to Enrique Bunbury and Leonard Cohen through a holographic player while getting drunk They also enjoy the music of Mick Jagger Axl Rose Steven Tyler and Vince Neil as well as the chords of Keith Richards Slash Joe Perry and Mick Mars These elements re ect various forms of human behavior This gives us a clear picture Politically speaking the world is fading away Mexico has been devastated by social movements and health crises The population has been reduced by half Mexico City is in ruins and there is no law It is a no man s land Ollin our main character leads a monotonous life playing guitar in a local bar called El Mezcalero with his three friends Hamp the British bass player Denis the French drummer and Arag n the Spanish vocalist Their band Calmecac is visited one day by a character who will change Ollin s perspective on things Juan Huitze a shaman will serve as the protagonist s mentor introducing him to a mystical and spiritual world The story will feature physical and spiritual confrontations between gargoyles angels and other mythological beings in our reality Oll n will search for the tomb of Fray Juan de Zum rraga He will meet Tezcatlipoca in the ruins of the Templo Mayor under the Cathedral of Mexico City as well as Quetzalc atl in Teotihuac n Then he will visit the tomb of Pacal in Palenque and nally arrive at Chichen Itz There he will descend to the Underworld or Xibalb with the twins

Junajp and Xbalanqu The court of Baath and his cursed angels are preparing for the arrival of a hybrid being half angel and half human This being aims to take over the energy and consciousness of humanity submerging them in darkness for all eternity Ollin s task is to help humanity transcend to a multidimensional level where the Mayan phrase In Lak Ech Hala Ken takes on its full meaning I am you you are me During a galactic alignment it is the appropriate time for the sacri ce to take place The cycle must come to a close as time is ending This cycle represents The Path to the Omega Point where everything and everyone will become one with the universal consciousness

Heaven Paula Gooder,2011-09-12 Heaven is one of those great mysteries that somehow symbolize what we don t know about ourselves and the world around us At the same time it lifts our vision from the mundane realities of our everyday lives and reminds us that beyond the daily grind of our existence there is another unseen reality A reality that is as real if not more so than our everyday lives Heaven suggests an answer to the familiar human feeling that there must be more than this and prompts us to wonder whether there is indeed more in heaven and earth than can be dreamt of in all our philosophies Paula Gooder from the Introduction

The Greatest Story That Was Almost Never Told Jeffery Brown,2011-10-27 This quirky little play tells the story of 5 very different angels who were sent on a mission to tell the greatest story ever However they manage to mess things up along the way no matter how hard their little angel hearts try Will they ever get the story right and deliver the Good News Join our small troop of messengers and learn what their great message is all about This play will have you laughing and cheering all the way through

Science Fiction Film, Television, and Adaptation J. P. Telotte,Gerald Duchovnay,2011-08-02 The book examines the difficulty of adapting from one screen medium to another by looking at both successful and unsuccessful efforts in the area of science fiction Those difficult efforts at moving from film to TV and from TV to film reveal much about the technologies involved and this highly technological genre as well

Story of My People Edoardo Nesi,2013-05-07 Winner of the 2011 Strega Prize this blend of essay social criticism and memoir is a striking portrait of the effects of globalization on Italy s declining economy Starting from his family s textile factory in Prato Tuscany Edoardo Nesi examines the recent shifts in Italy s manufacturing industry Only one generation ago Prato was a thriving industrial center that prided itself on craftsmanship and quality But during the last decade cheaply made goods produced overseas or in Italy by poorly paid immigrants saturated the market making it impossible for Italian companies to keep up In 2004 his family was forced to sell the textile factory How this could have happened Nesi asks and what are the wider repercussions of losing businesses like his family s especially for Italian culture *Story of My People* is a denouncement of big business corrupt politicians the arrogance

of economists and cheap manufacturing It s a must read for anyone seeking insight into the financial crisis that s striking Europe today *The Book of Joe* Jonathan Tropper,2005-01-25 Right after high school Joe Goffman left sleepy Bush Falls Connecticut and never looked back Then he wrote a novel savaging everything in town a novel that became a national bestseller and a huge hit movie Fifteen years later Joe is struggling to avoid the sophomore slump with his next novel when he gets a call his father s had a stroke so it s back to Bush Falls for the town s most famous pariah His brother avoids him his former classmates beat him up and the members of the book club just hurl their copies of Bush Falls at his house But with the help of some old friends Joe discovers that coming home isn t all bad and that maybe the best things in life are second chances Fans of Nick Hornby and Jennifer Weiner will love this book by turns howling funny fiercely intelligent and achingly poignant As evidenced by *The Book of Joe* s success in both the foreign and movie markets Jonathan Tropper has created a compelling incredibly resonant story *Knocking on Heaven's Door* Don Maclean,2014 **Jupiter , A Complicated Kindness** Miriam Toews,2019-01-15 This darkly funny and provocative coming of age novel balances grief and hope in the voice of a witty teenage girl whose Canadian family is shattered by fundamentalist Christianity O The Oprah Magazine From the author of *Women Talking* now an Academy Award winning film starring Claire Foy Rooney Mara Frances McDormand and Jessie Buckley Half of our family the better looking half is missing Nomi Nickel tells us at the beginning of *A Complicated Kindness* Left alone with her sad peculiar father her days are spent piecing together why her mother and sister have disappeared and contemplating her inevitable career at Happy Family Farms a chicken slaughterhouse on the outskirts of East Village Not the East Village in New York City where Nomi would prefer to live but an oppressive town founded by Mennonites on the cold flat plains of Manitoba Canada This darkly funny novel is the world according to the unforgettable Nomi a bewildered and wry sixteen year old trapped in a town governed by fundamentalist religion and in the shattered remains of a family it destroyed In Nomi s droll refreshing voice we re told the story of an eccentric loving family that falls apart as each member lands on a collision course with the only community any of them have ever known A work of fierce humor and tragedy by a writer who has taken the American market by storm this searing tender comic testament to family love will break your heart **Postcolonial Readings of Music in World Literature** Cameron Fae Bushnell,2013 This book reads representations of Western music in literary texts to reveal the ways in which artifacts of imperial culture function within contemporary world literature Bushnell argues that Western music s conventions for performance composition and listening established during the colonial period persist in postcolonial thought and practice Music from the Baroque Classical and Romantic periods Bach through Brahms coincides with the rise of colonialism and Western music contains imperial attitudes and values embedded within its conventions standards and rules The book focuses on the culture of classical music as reflected in the worlds of characters and texts and contends that its effects outlast the historical significance of the real composers pieces styles and forms Through examples by authors such as McEwan Vikram Seth

Bernard MacLaver, Chang-rae Lee and J. M. Coetzee the book demonstrates how Western music enters narrative as both acts of history and as structures of analogy that suggest subject positions, human relations and political activity that in turn describes a postcolonial condition. The uses to which Western music is put in each literary text reveals how European art music of the seventeenth through the nineteenth centuries is read and misread by postcolonial generations, exposing mostly hidden cultural structures that influence our contemporary understandings of social relations and hierarchies, norms for resolution and for assigning significance and standards of propriety. The book presents strategies for thinking anew about the persistence of cultural imperialism, reading Western music simultaneously as representative of imperial cultural dominance and as suggestive of resistant structures, forms and practices that challenge the imperial hegemony.
