Knotted Tongues Stuttering In History And The Quest For A Cure:

Knotted Tongues Benson Bobrick, 2011-01-11 A former stutterer Benson Bobrick here offers his perspective on the condition as well as an interesting history of how physicians have treated it Stuttering or stammering the terms are interchangeable clinically occurs four times more frequently in males and ranges from mild hesitation in speech to severe disability Hot irons were applied to stutterers lips in the Middle Ages and in the mid 19th century risky tongue operations were performed in failed attempts to effect a cure Bobrick discusses famous stutterers Charles Darwin Henry James Winston Churchill and Jimmy Stewart and he describes the adverse impact of their condition on their lives In this century psychological trauma has often been cited as the cause of stuttering but recent evidence points to a genetic disorder involving a disturbed auditory function Therapeutic practices differ but the author credits a voice feedback system with bringing his condition under control

Knotted Tongues Benson Bobrick, 2005-01 More than 2 million Amer more than 55 million people worldwide stutter Though their malady has been subject to endless analysis for over 2 500 years most endure it without hope of a cure Famous figures through the ages Moses Charles I Lewis Carroll Winston Churchill Marilyn Monroe among them have also known the isolation trauma of living with knotted tongues In this fascinating original social history Bobrick explores one of the most confounding mysteries in medical history its impact on the lives of the afflicted the bizarre therapeutic practices it has spawned Mounting evidence indicates that stuttering is a neurological problem And while a definitive remedy remains elusive certain techniques are effective

Foundations of Stuttering Marcel Wingate, 2021-11-01 There have been many theories about the cause of stuttering and many misconceptions exist Currently it is believed that a number of factors play a role in the development and maintenance of stuttering These factors can be grouped and classified as constitutional environmental and communication factors There is some evidence that stuttering is genetic it does run in some families There is also evidence that stuttering is due to a disorder in the timing of movements of speech muscles a defect in auditory feedback and a lack of cerebral dominance for language functions Stuttering is not a symptom of emotional or mental problems although it may become a source of stress and cause emotional difficulties **Foundations of Stuttering** presents a new perspective on stuttering A key aim of the book is to establish a rational and scientifically defensible foundation for the study and management of the stuttering disorder based on the fact that stuttering is manifestly a disorder of speech Central to this objective is the interrelation of findings from the fields of stuttering psychology psycholinguistics and neurolinguistics that support the analysis of stuttering as an intrinsic anomaly of speech production The book presents critical analysis of much of the literature in the field to present a fully objective scientifically oriented study of the disorder Dr Wingate has made significant contributions in the area of fluency disorders In 1969 and 1970 publication of articles that led to his Vocalization Hypothesis stimulated a great deal of research in the area of stuttering which underlies current theory approaches This book offers a new departure in understanding stuttering and a

Kringelbach,2009 Many people believe that pleasure and desire are obstacles to reasonable and intelligent behavior In *The Pleasure Center* Morten Kringelbach reveals that what we desire what pleases us in fact our most base animalistic tendencies are actually very important sources of information They motivate us for a good reason And understanding that reason taking that reason into account and harnessing and directing that reason can make us much more rational and effective people In exploring the many facets of pleasure desire and emotion Kringelbach takes us through the whole spectrum of human experience such as how emotion fuels our interest in things allowing us to pay attention and learn He investigates the reward systems of the brain and sheds light on some of the most interesting new discoveries about pleasure and desire Kringelbach concludes that if we understand and accept how pleasure and desire arise in the complex interaction between the brain s activity and our own experiences we can discover what helps us enjoy life enabling us to make better decisions and ultimately lead happier lives **Handbook of Communication and People With Disabilities** Dawn O. Braithwaite,Teresa L. Thompson,1999-12 Each chapter provides a state of the art literature review practical applications of the material and key words and discussion questions to facilitate classroom use Jacket **Talking the Walk & Walking the Talk** Marc Shell,2015-09-01 This book argues that we should regard walking and talking in a single rhythmic vision In doing so it contributes to the theory of prosody our understanding of respiration and looking and in sum to the particular links across the board between the human characteristics of bipedal walking and meaningful talk The author first introduces the philosophical neurological anthropological and aesthetic aspects of the subject in historical perspective then focuses on rhetoric and introduces a tension between the small and large issues of rhythm He thereupon turns his attention to the roles of breathing in poetry as a life and death matter with attention to beats and walking poems This opens onto technical concepts from the classical traditions of rhetoric and philology Turning to the relationship between prosody and motion he considers both animals and human beings as both ostensibly able bodied creatures and presumptively

disabled ones Finally he looks at dancing and writing as aspects of walking and talking with special attention to motion in Arabic and Chinese calligraphy The final chapters of the book provide a series of interrelated representative case studies
