KnowOrphans Mobilizing The Church For Global Orphanology:

KnowOrphans Rick Morton, 2014-02-03 The global orphan crisis is complex The church's response should be comprehensive but is it In this provocative follow up to Orphanology author Rick Morton provides the framework for families and churches to have a gospel centered response to the growing global issue of orphan care KnowOrphans addresses three distinct areas associated with global orphanology Delving deeper into the criticisms of the movement the need for reform and what families can expect author Rick Morton helps shape realistic perceptions of the challenges and rewards adoptive parents face in transnational adoptions Through illuminating the work internationally adoptive families can expect KnowOrphans offers solutions for the church in remedying the ills and deficiencies surrounding the church's role in equipping and supporting families before during and after the adoption process Knowing that the church's response and attitude should be one that goes beyond adoption KnowOrphans also addresses the complexities of how Christians are to respond ethically compassionately and comprehensively to the biblical call to care for orphans KnowOrphans is the next step in conversation as this evangelically based movement of orphan care matures and begins to live out James 1:27 globally

Growing God's Family Samuel L. Perry, 2017-06-13 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L. Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level *Growing God's Family* ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group

A Passion for the Fatherless Daniel Bennett, 2014-05-16 A Passion for the Fatherless exposes believers to the Scriptural mandate to care for orphans helps them understand why God has issued that call and equips them to joyfully respond to that call Bennett provides a sturdy theological foundation for a ministry to the disenfranchised the orphan and then shows how churches can build on these biblical foundations to implement or improve an orphan care program and to equip care givers With how to practicality this book focuses on total orphan care ministry and not just adoption including a wide range of activities intended to get the whole church involved domestic and international adoption foster care counseling congregational funding overseas mission trips prayer ministry and so on The temptation in a church can be to see orphan care as a ministry for couples of child bearing age This approach fails to make wise use of the incredible resources of energetic young people empty nesters with newfound freedom or older saints who have some time with which they desire to be good stewards A Passion for the Fatherless includes practical and encouraging stories of how other churches and believers have cared for orphans and each
