II, 2012-10-02 This practical guide clarifies why school librarians need to be part of the professional development process in their schools and shows just how to achieve that goal To remain gainfully employed today s school librarian has to be a leader in the school To that end *Adult Learners Professional Development* and the School Librarian encourages librarians to become instrumental in providing professional development to teachers and staff The book begins by explaining why librarians

should participate in designing and presenting professional development then goes on to provide tips examples and a complete model for doing this based on system used at the author s school Readers will discover how to determine what is practical and how to turn ideas into actions whether they want to implement a major initiative or start with something small Most important this book details how to become part of the professional development team in ways that are both relevant and meaningful to the teachers and staff involved When these stakeholders understand what the librarian knows and how they can benefit the librarian s sphere of influence will be expanded and a job just might be saved Exploring Feelings for Young Children with High-Functioning Autism or Asperger's Disorder Dr Anthony Attwood,Angela Scarpa,Anthony Wells,2012-11-15 The Stress and Anger Management Program STAMP uses a cognitive behavioral approach to encourage children who suffer from mood difficulties to explore and control their emotions This practical manual outlines a dynamic and effective 9 session program designed specifically for young children with high functioning autism or Asperger s syndrome

Big Ideas for Little Kids Thomas E. Wartenberg,2014-05-01 Big Ideas for Little Kids includes everything a teacher a parent or a college student needs to teach philosophy to elementary school children from picture books Written in a clear and accessible style the book explains why it is important to allow young children access to philosophy during primary school education Wartenberg also gives advice on how to construct a learner centered classroom in which children discuss philosophical issues with one another as they respond to open ended questions by saying whether they agree or disagree with what others have said *Handbook of Research-Based Practice in Early Education* D. Ray Reutzel,2014-07-09 Written expressly for early childhood educators and those who support their professional development this handbook distills essential knowledge about how to help all PreK 3 learners succeed Leading experts describe doable ways to create effective learning environments and implement instructional practices with a strong evidence base Engaging vignettes illustrate discussions of such topics as differentiated instruction response to intervention the Common Core standards social and emotional learning assessment and teaching across the curriculum Each chapter links cutting edge research to practical applications examples and professional development activities More Mirrors in the Classroom Jane Fleming,Susan Catapano,Candace M. Thompson,Sandy Ruvalcaba Carrillo,2016-06-08 Nearly 30% of all public school children attend school in large or mid size cities totaling more than 16 million students in 22 000 schools For schools serving culturally and linguistically diverse populations and large numbers of children living in poverty a significant achievement gap persists Proponents of multicultural education often advocate for instruction with culturally relevant texts to promote inclusion compassion and understanding of our increasingly diverse society Less discussion has focused on the significant body of research that suggests that culturally relevant texts have important effects on language and literacy development By connecting the dots of existing research More Mirrors in the Classroom raises awareness about the critical role that urban children s literature can play in helping children learn to read and write In addition it provides practical step by step advice for increasing the cultural

relevance of school curricula in order to accelerate literacy learning
