Knut Hamsun Mysteries:

Mysteries Knut Hamsun,1927 Mysteries Knut Hamsun,2001-01-01 The first complete English translation of the Nobel Prize winner's literary masterpiece A Penguin Classic *Mysteries* is the story of Johan Nilsen Nagel a mysterious stranger who suddenly turns up in a small Norwegian town one summer and just as suddenly disappears Nagel is a complete outsider a sort of modern Christ treated in a spirit of near parody He condemns the politics and thought of the age brings comfort to the insulted and injured and gains the love of two women suggestive of the biblical Mary and Martha But there is a sinister side of him in his vest he carries a vial of prussic acid The novel creates a powerful sense of Nagel's stream of thought as he increasingly withdraws into the torture chamber of his own subconscious psyche For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 800 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Knut Hamsun's Mysteries Gregory Peter Ole Nybo,1967 *Misterios* Knut Hamsun,1990-10 Nunca el Premio Nobel se ha dado a alguien que lo merezca tanto como Knut Hamsun THOMAS MANN Un extranjero llega un día a una pequeña ciudad costera de Noruega Inmediatamente traba amistad con un loco para que le enseñe los secretos del lugar quienes son los hombres y las mujeres que viven en él El extranjero se enamora indaga en las vidas ajenas convertir cada hecho cotidiano en una interrogación en un misterio que acabar por convertirse en la clave de un porvenir que no dejar de recordarle Pocos libros permiten a su lector entrar en el alma de su creador como *Misterios* la novela que anticipa los temas que llevarán la obra de Knut Hamsun a una de las cumbres de la literatura moderna y a su autor a recibir en 1920 el Premio Nobel de Literatura **Mysteries** Knut Hamsun,2006-08-08 In a Norwegian coastal town society's carefully woven threads begin to unravel when an unsettling stranger named Johan Nagel arrives With an often brutal insight into human nature Nagel draws out the townsfolk exposing their darkest instincts and suppressed desires At once arrogant and unassuming righteous and depraved Nagel seduces the entire community even as he turns it on its head before disappearing as suddenly as he arrived *Mysteries ; Translated from the Norwegian of Knut Hamsun* Knut Hamsun,1927 **Knut Hamsun, Novelist** Sverre Lyngstad,2005 This is the first comprehensive study in English of the novels of Knut Hamsun Nobel Laureate in literature for 1920 from the radically innovative *Hunger* 1890 to *The Ring Is Closed* 1936 The texts are discussed in depth with analysis of recurrent themes narrative modes and generic idiosyncrasies and are evaluated in terms of originality and artistic integrity Reviews and other critical opinions are cited to broaden the evaluative spectrum and throw light on the novels' receptions Although the book is scholarly its blend of commentary and summarizing description of settings characters and story lines will also interest the general reader *Mysteries* KNUT. HAMSUN,2021-01-21 **Hunger** Knut Hamsun,Tore Rem,Terence Cave,2023-10-10 It

was at the time when I was wandering around hungry in Kristiania that strange city no one leaves before it has set its mark on them Hunger is the first person story of a young man desperately trying to establish himself in the city as a writer living in shabby lodgings where he can seldom afford to pay the rent eating almost nothing and engaging spasmodically and manically with landlords eccentric elderly men policemen shopkeepers pawnbrokers and others on the way He wanders around the streets sits on benches trying to write spends a night locked in a pitch dark police cell thinks slides into remarkably inventive reveries speculates on his mental health his ethical comportment his relation to the divinity the topics he might write about The traces of a consistent narrative logic are uncertain and blurred the voice of the narrator keeps shifting between pragmatic appraisal of his situation wild fantasies manic outbursts anger and despair This is a story that lies on the threshold of modernism anticipating many of the dislocations that narrative will be subject to in the decades to come This new translation seeks to restore the startling freshness and epidermal unease of Hamsun's breakthrough story of 1890 It remains faithful to the style and voice of the text the shifts of tense the indirect free style and the constant changes of register as the inner monologue moves between poetic sensitivity wild fantasies manic outbursts and hyperbolic emotion Tore Rem's introduction provides an updated and fresh account of the genesis of Hunger its book history and its reception ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
