Fishing Lures A. Slade Robert a. Slade,Robert A. Slade,2010-08 Robert A Slade after collecting old fishing tackle since 1958 and contributing articles on old fishing lures for a collector magazine for several years started researching and writing books

in the 1990 s He published the HISTORY COLLECTIBLE FISHING TACKLE OF WISCONSIN in 1999 which sold 4 500 copies Bob realized that even though there have been many books published on the subject of old fishing lures that few books

covered any detailed history on the old lure makers His latest book writing project was nine years in the making and covers over 100 years of lure making history starting in 1875 and covers over 2 500 lures makers throughout all of North America

THE ENCYCLOPEDIA OF OLD FISHING LURES MADE IN NORTH AMERICA is the first publication with extensive history and patent information on old lure makers and the first to include extensive coverage on Canadian lure makers The author

traveled to 11 states and 3 Canadian Provinces visiting collectors homes newspaper archives museums and other sources and has taken over 10 000 pictures in preparing the historical stories for these books The set of books arranges for the individual and company lure makers to appear in alphabetical order People purchasing these books can buy any one single book a whole set or even a book a month if they desire as the books will be printed and shipped on demand Each book has over 400 pages of text pictures and collector values with each book containing a table of contents and index as well as a master index for the complete set of books Outers' Book-recreation ,1926

Behavior Problems of the Dog and Cat Gary Landsberg, Wayne Hunthausen, Lowell Ackerman, 2012-12-14 Formerly the Handbook of Behavior Problems of the Dog and Cat the new edition of the definitive guide to the diagnosis and treatment of behavior problems of the dog and cat has been extensively updated It retains the highly practical approach that has proved so successful in previous editions offering diagnostic guidelines preventative advice treatment guidelines and charts case examples client forms and handouts and product and resource suggestions along with details on the use of drugs and natural supplements to help optimize the behavior services offered in practice To add to these features the third edition is now fully referenced there is significant new content the book as been written with the entire hospital team in mind and many color images have been added The new edition welcomes a wide international mix of new contributors from Australia Spain Mexico and the United States A website link gives access to the handouts and forms previously found on disk As well as fulfilling its original purpose as a practical tool for the busy clinician this edition offers valuable and useful support material for all those studying the field of companion animal behavior Now in full color and using a revised format Behavior Problems of the Dog and Cat remains the most complete up to date and practical resource for the treating and diagnosing canine and feline behavior problems Many hot new topics covered including stress and its effects on health and behavior and pain assessment and management Three chapters are added dealing with canine and feline communication how to distinguish behavioral versus medical problems and how to deal with fear and aggression in the clinic Now thoroughly referenced to the scientific literature Includes updates on drugs and natural therapeutics Pain assessment charts now included All new color format offers extra illustrations throughout
