The Writer and the Cross Darren J.N. Middleton, 2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or

denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction **Talking Book Topics** ,2016 Braille Book Review ,2016 Catalogue of English Prose Fiction, Including Juveniles and Translations Brooklyn Public Library,1894 **The Publishers Weekly** ,2001 *New Statesman* ,1929

Library Review Robert Duncan Macleod,1937 **Body and Identity** Angela Franks,2025-08-15 Angela Franks provides a sweeping intellectual history of identity particularly in terms of how identity relates to the body with an emphasis on the importance of Christianity to this understanding Modern questions about our bodies and how we see ourselves are often complex and problematic To better answer these contemporary questions and navigate identity politics Angela Franks seeks to provide a better understanding of identity She begins by giving three basic meanings of the term identity through time the true or authentic self and our awareness of ourselves She engages with thinkers from antiquity to present day and investigates the decisive developments that Christianity provided Within Christianity came a new awareness of the distinctive individuality of each person the true self called by God in a way that often breaks away from the solid or fixed structures of identity formation such as family class and nation This more liquid idea of identity continues to evolve in modern times though without its theistic emphasis on God s call The result is a purely liquid self that consists of consciousness and activity but without a grounded self that is either the object or the subject of consciousness This is the empty self we have today one that is given much more to do and less to be A comprehensive history of identity **Body and Identity** brings the theological history of the self to the forefront in order to address the empty self and how identity is defined today Loving Luther Allison Pittman,2017-09-01 Germany 1505 In the dark of night Katharina von Bora says the bravest good bye a six year old can muster and walks away as the heavy convent gate closes behind her Though the cold walls offer no comfort Katharina soon finds herself calling the convent her home God her father This her life She takes her vows a choice more practical than pious but in time a seed of discontent is planted by the smuggled writings of a rebellious excommunicated priest named Martin Luther Their message That Katharina is subject to God and no one else Could the Lord truly desire more for her than this life of servitude In her first true step of faith Katharina leaves the only life she has ever known But the freedom she has craved comes with a price and she finds she has traded one life of isolation for another Without the security of the convent walls or a family of her own Katharina must trust in both the God who saved her and the man who paved a way for rescue Luther s friends are quick to offer shelter but Katharina longs for all Luther has promised a home a husband perhaps even the chance to fall in love **Luther si Katharina** Jody Hedlund,2017-04-06 Premiul Christy pentru cel mai bun roman istoric Istoria povestea de dragoste si credinta profunda din acest roman sunt impletite toate cu atata maiestrie Tamera Alexander Ea o calugarita de vita nobila El un eretic un reformator un proscris al sfantului Imperiu Roman Luther si Katharina este o poveste de dragoste induiosatoare ampla sata in contextul turbulent al Reformei Protestante din secolul al

XVI lea Pe alocuri iti sfasie inima sau te lasa cu respiratia taiata insa cititorii vor fi captivati atat de povestea de dragoste cat si de detaliile istorice intretesute cu pricepere in fiecare capitol In ciuda unei perioade tumultoase din istoria Bisericii si a unor circumstante descurajatoare Martin Luther si sotia sa Katharina s au bucurat de mai bine de douazeci de ani de casnicie cu toate ca nimeni nu le ar fi dat vreo sansa avand in vedere statutul si perspectiva lor atat de diferite Luther a iubit o pe Katharina din toata inima iar Katharina i a fost alaturi lui Luther l a incurajat si l a sustinut sa devina unul dintre cei mai mari reformatori ai lumii crestine **Frau Luther** Yvonne Davy,1979
