The Reluctant Fundamentalist is more than the usual immigrant book of adaptation struggle and identity It is the gripping tale of a young man who comes to America from Pakistan just prior to 9 11 The protagonist Changez is a Harvard educated businessman who works for a high profile company that assesses the economic value of other companies Changez is very successful in his chosen career but then September 11 happens and everything changes The setting is Lahore Pakistan and the tale is told by one narrator that of Changez as he speaks to a nameless and faceless American tourist The narration takes place in the span of a single evening in fact during a single meal and Hamid manages to swing the reader on a pendulum of conflicting emotions and thoughts The Bookclub in a Box guide explores a number of important questions who is this nameless American and why is he in Pakistan how can one person have equal love for two countries that are at odds with each other in culture and outlook how does such a person come to terms with his two worlds and what is the significance of the word reluctant in the novel's title *The Reluctant Fundamentalist* Every Bookclub in a Box discussion guide also includes complete coverage of the themes and symbols writing style and interesting background information on the novel and the author *The reluctant fundamentalist* Houghton Mifflin Harcourt Publishing Company, Neap Tony Thompson, 2010 **Mohsin Hamid's the Reluctant Fundamentalist** Karen Shlezinger, 2010

From the author of the award winning *Moth Smoke* comes a perspective on love prejudice and the war on terror that has never been seen in North American literature At a caf table in Lahore a bearded Pakistani man converses with a suspicious and possibly armed American stranger As dusk deepens to night he begins the tale that has brought them to this fateful meeting Changez is living an immigrant's dream of America At the top of his class at Princeton he is snapped up by Underwood Samson an elite

firm that specializes in the valuation of companies ripe for acquisition He thrives on the energy of New York and the intensity of his work and his infatuation with regal Erica promises entrance into Manhattan society at the same exalted level once occupied by his own family back in Lahore For a time it seems as though nothing will stand in the way of Changez's meteoric rise to personal and professional success But in the wake of September 11 he finds his position in his adopted city suddenly overturned and his budding relationship with Erica eclipsed by the reawakened ghosts of her past And Changez's own identity is in seismic shift as well unearthing allegiances more fundamental than money power and perhaps even love Elegant and compelling Mohsin Hamid's second novel is a devastating exploration of our divided and yet ultimately indivisible world Excuse me sir but may I be of assistance Ah I see I have alarmed you Do not be frightened by my beard I am a lover of America I noticed that you were looking for something more than looking in fact you seemed to be on a mission and since I am both a native of this city and a speaker of your language I thought I might offer you my services as a bridge from The Reluctant Fundamentalist

Hamid to examine how fiction confronts the formal and representational mystifications of the economic As Shonkwiler shows these contemporary writers navigate the social moral and class preoccupations of American economic fiction as shaped by such writers as William Dean Howells Henry James Frank Norris and Theodore Dreiser even as they probe the novel's inadequacies to tell the story of an increasingly abstract world system Drawing a connection from historical and theoretical accounts of financialization to the formal contours of contemporary fiction *The Financial Imaginary* examines the persistent yet vexed relationship between financial representation and the demands of literary realism It argues that the novel is essential to understanding our relation to the mystifications of abstraction past and present **Terror in Global Narrative**
