About Business Communication John X. Wang,2008-05-15 Engineers must possess a range of business communication skills that enable them to effectively communicate the purpose and relevance of their idea process or technical design This unique business communication text is packed with practical advice that will improve your ability to Market ideas Write proposals Generate enthusiasm for research De ENGLISH LANGUAGE LABORATORIES KONAR, NIRA,2011-07-30 Today acquiring

English language skills has become so essential especially for those who are looking for new jobs in reputed organizations as well as for the practising professionals. Many engineering students even though they have adequate knowledge of their subject are unable to express themselves well in English. Taking this into account, engineering colleges/institutes have introduced exclusive English Language Laboratories where students are drilled in the practical aspects of the English language. This compact and comprehensive book is a step by step practical guide to students, telling them how to prepare technical reports and how to acquire the basic communication skills: listening, speaking, reading and writing. The book deals with conversation, situational dialogues and role plays and Group Discussions (GDs). It also gives detailed discussion about Interviews: step by step preparation, practical and psychological preparation, the dos and don'ts for interview, besides dealing with different kinds of interviews: telephonic, videoconferencing and others. In addition, the text stresses the importance of researching the organization and salary negotiations. Finally, the book shows the students how to make powerpoint presentations, PPTs, the structure of presentation and using audio visuals. This activity based, skill oriented, learner centred book is designed according to the WBUT syllabus on Technical Report Writing and Language Laboratory Practice for the B Tech students. However, it would be equally useful for B Tech, B E students across the country.

**DISTINGUISHING FEATURES**

A practical and student friendly text, the stress being on the functional aspects of the language and various activities for acquiring the language. Gives the Methodology of conducting activities such as GDs, Interviews and Presentation. Provides model GD topics and the step by step process of making PPTs. Clearly spells out all the details right from preparing a good job application, researching the company including its financial health, to preparing the job portfolio, to wearing the proper dress, handling questions and negotiating salary. Provides an extensive list of probable questions along with their answers to prepare students for mock interviews. Also gives well crafted questions at the end of each lesson.

Effective Business Presentations Judy Jones Tisdale, 2005

For oral presentation and presentation studies courses in business. Exclusively addressing business presentations, this book not only explores structured approaches to creating and delivering effective business presentations, it also supports quality coaching in managing and assessing the presentation process. The purpose of this text is two fold: 1. to offer presenters strategies to plan, develop and deliver effective business presentations and 2. to provide tools so presenters can constructively assess their performance.
