No Marketing Blurbs **Guide to a Catholic Church** W. L. Fox, 2017-11-25 Excerpt from Guide to a Catholic Church For Non Catholic Visitor In Which the Meaning of the Various Objects of Devotion Is Simply Explained and a Short Exposition Given of the Main Points of Catholic Belief With the Prayers of the Chief Services in Latin and English It is with painful feelings that the Catholic at his private devotions in churches at home and abroad has oftentimes to observe groups of non Catholics examining the objects of the sacred buildings and then departing evidently as uninstructed on what they have seen as when they first entered There can be but little doubt that most frequently such visitors would be delighted to receive some information on the things that thus come under their observation To supply a little of that information in a handy form is the purpose of the present manual About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Guide to a Catholic Church** W. L. Fox, 2012-08 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Index to American Catholic Pamphlets Eugene Paul Willging, 1927 A Guide to Catholic Marriage Clement Simon Mihanovich, Gerald Joseph Schnepf, John Lawrence Thomas, 1955 A Manual of Theology for the Laity P. Office of Education, Harold Fred Duis, 1964 Manual of Universal Church History Johannes Baptist Alzog, 1878 **Guide to a Catholic Church** W. L. Fox, Brother Hermenegild TOSF, 2013-11 It is with painful feelings that the Catholic at his private devotions in churches at home and abroad has oftentimes to observe groups of non Catholics examining the objects of the sacred buildings and then departing evidently as uninstructed on what they have seen as when they first entered There can be but little doubt that most frequently such visitors would be delighted to receive some information on the things that thus come under their observation To supply a little of that information in a handy form is the purpose of the present manual The following pages and include

the prayers of the Ordinary of the Holy Mass with the hymns usually sung at Benediction thus making the work useful as a prayer book wherewith to follow the words of the principal services of the Catholic Church in Latin or English It is not intended or expected that this work will be found capable of a full perusal in church but it is hoped that its pages may prove useful and agreeable matter for reading either before or after such visit Let us consider the opening chapter ON entering a Catholic Church the visitor s attention is naturally first bestowed on the principal or High Altar Flowers and candles stand on either side of the Tabernacle which the Altar bears in its centre while a single lamp or more burns night and day before our Lord Whose Divine Presence reserved in the Tabernacle under the visible form of bread is the most prominent and most sacred feature of Catholic doctrine and belief In the Old Law the Temple of the Jews was more than a mere meeting house for Divine worship it was the abode of the Ark of the Covenant of which we read Exodus xl 32 that the cloud covered the tabernacle and the glory of the Lord filled it In the New Law as befitting its greater spiritual dignity the Catholic Church teaches that its temples are not less favoured than the Jewish one of old Far otherwise for Catholic doctrine holds as established by Holy Scripture and sacred tradition derived from the Apostles that the Catholic House of God is not only the resting place of the Cloud of the glory of the Lord but the residence of the Lord Himself after a special or Sacramental manner
