

The background of the cover is a dark, deep blue or black space. It is filled with dynamic, flowing energy. Broad, wavy bands of color sweep across the frame from the bottom left towards the top right. These bands include shades of bright blue, magenta, red, orange, and yellow. Interspersed among these waves are numerous thin, glowing white and yellow lines that resemble particle tracks or light trails, some of which are curved and others straight. Small, bright white and yellow dots, similar to stars or distant galaxies, are scattered throughout the composition, adding to the sense of cosmic energy and movement.
