systemic inequality and learn to confront legacies of harm Discover the healing power of listening as well as the art and skills of accompanying someone in pain Further grasp how caregivers pastors counselors and other healers many with their own wounds can benefit from soft spaces too Marked by history and surrounded by violence and loneliness we all long for healing In the tradition of esteemed writers like Bryan Stevenson and Cole Arthur Riley Walker writes about how community helps us transfigure trauma There is nothing dramatic about listening to someone s story or sharing our own But there is mystery here and sacredness No one has to be left alone *You Give Good Love* J.J. Murray,2015-02-12 It s been eight years since Hope Warren had her heart broken on Christmas Eve but she still detests the holiday and celebrations in general Wasting her time and her art degree at a job she clearly hates the only thing she s longing for is a dream home way out of reach So when outgoing Irishman Dylan Healy keeps getting in her face she s sure there s a catch He s kind charismatic and challenging her idle creativity It may be her least favorite time of year but suddenly she s willing to try everything and anything especially Dylan himself Dylan has enough on his plate between launching his online greeting card company at the height of the season and starting an art themed daycare center But he can t resist teasing Hope out of her holiday cynicism turning her ideas into crazy profits or wanting more of the vibrant sensual woman she truly is And with the days counting down to Christmas Eve he s willing to put everything on the line to convince her that what they have is the gift of a lifetime
