Basic stitches

Basic back stitch

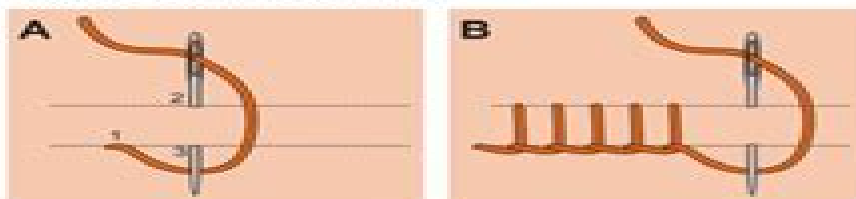

Great for your outline stitch. Work from right to left. Bring needle out at Point 1, insert at Point 2 and come out at Point 3. The main thing with this stitch is to make sure that the distance between 1-3, and 1-2 is exactly the same. Repeat sequence for next stitch.

Basic chain stitch

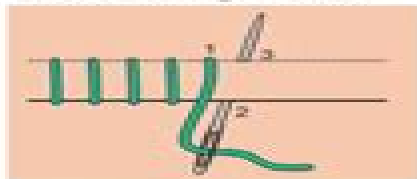

Another great stitch for outlining objects or if worked in close rows for filling an area. Bring needle out at Point 1 and insert back into same hole at Point 1. Bring out at Point 2, carrying thread under needle point and then pull it through. Point 2 now becomes point 1 for your next stitch.

Basic blanket stitch

Great stitch for using on edges! Bring needle out at Point 1 (bottom line). Insert at Point 2 (on a slight diagonal) then come up at Point 3 directly below from Point 2. Repeat sequence but remember that Point 3 of previous stitch is now Point 1.

Basic whipstitch

I love this stitch for applique! Bring needle out at Point 1 and insert at Point 2 (right at the edge of your applique piece and in a straight line from point 1). Come out at Point 3 and repeat sequence.

My mother, grandmother, and great aunt instilled their love of thread in me. I hope to share that love with you through this book. Imagine the extra special gifts you can bestow on your friends and family with hand stitched embroidery. You too can leave a lasting legacy that has been time tested and worn through the ages.
