A GUIDE TO

SQL

The background of the cover is a dark, deep blue. It is filled with a complex network of glowing, ethereal lines in shades of blue, purple, and white. These lines appear to be light trails or data paths, some straight and others curved, creating a sense of dynamic movement. Scattered throughout the scene are numerous small, bright particles, some appearing as starbursts or sparks, particularly concentrated near the bottom center where a bright, horizontal light source seems to emanate the patterns.
