Parker,2009 Parker's Guide to the Revolutionary War in South Carolina is 415 pages of information with 620 maps photos and illustrations and action locations in all the counties in the state Most people do not know that South Carolina had a Boston Tea Party of sorts on October 12 1765 while the celebrated Boston Tea Party was on May 10 1773 South Carolina forced the removal of British Stamps from Charleston and became a leader of the rebellion against British taxation The account is on page 87 of Parker's Guide Another fact that most people do not know is that on April 21 1775 the British magazines in Charleston Cochran's and Mount Pleasant Hobcaw were broken into by Patriot South Carolinians only two days after the Battle of Lexington All the arms powder and shot were requisitioned for the Patriot cause from both magazines The short time span between the Lexington and South Carolina actions did not allow South Carolinians to have received news of the action in Lexington Massachusetts until weeks later South Carolina was again in the forefront of the American Revolution The account is on pages 74 and 107 of Parker's Guide Publisher **Battles of the American Revolution Teacher's Guide Without Common Core Indicators** Michael ; Freeman Burgan, Teacher's Guide for PRIME title Battles of the American Revolution Does Not Contain Common Core Indicators **A Kids Guide to the American Revolution** KidCaps,2013-10-28 The war was raging all around him Johnny was only twelve years old so he wasn't allowed to pick up a gun or to be a soldier However he still had a very important job on the battlefield he was the messenger for American Major General Gates While he waited for the scouts to come back with their reports of British troop movements Johnny could hear the musket balls whizzing above him breaking branches in the trees His father was out there in the battle lines and through the smoke on the field Johnny could just barely see him finish loading his musket step to the right take aim and fire the weapon The gun rocked as it fired and let out a cloud of smoke as the black powder exploded in the barrel pushing the musket out at high speed Johnny's father stepped back behind a tree to reload his musket something that took even the best trained soldier about twenty seconds to do before coming out to fire again And so begins the fascinating history of the American Revolution It's hard to imagine America ever faced times so hard but in this book just for kids you'll find out what happened and what it was like to be a kid during these times KidCaps is an imprint of BookCaps Study Guides with dozens of books published every month there's sure to be something just for you Visit our website to find out more Decisive Battles of the American Revolution Joseph B.
