

## Section 1

# A Conservative Movement Emerges

Conservatism reaches a high point with the election in 1980 of President Ronald Reagan and Vice-President George Bush.

## The Conservative Movement Builds

### Conservative Issues

- **Entitlement programs** provide guaranteed benefits to specific groups
- High cost of programs, stories of fraud upset taxpayers
- Many skeptic of civil rights rulings like busing over long distances

### The New Right

- **New Right**—collection of grass-roots groups promoting single issues
- **Affirmative action**—special consideration for women, minorities
  - many say it's **reverse discrimination**, favoring one group over others

*The Conservative Intellectual Movement in America Since 1945* George H. Nash, 2014-04-08 First published in 1976 and revised in 1996 George H Nash's celebrated history of the postwar conservative intellectual movement has become the unquestioned standard in the field This new edition published in commemoration of the volume's thirtieth anniversary includes a new preface by Nash and will continue to instruct anyone interested in how today's conservative movement was born

**Reclaiming the American Right** Justin Raimondo, 2023-04-04 Many conservatives want to know Where did the Right go wrong Justin Raimondo provides the answer in this captivating narrative Raimondo shows how the noninterventionist Old Right which included half forgotten giants and prophets such as Senator Robert A Taft Garet Garrett and Colonel Robert McCormick was supplanted in influence by a Right that made its peace with bigger government at home and perpetual war for perpetual peace abroad First published in 1993 *Reclaiming the American Right* is as timely as ever This new edition includes commentary by Pat Buchanan political scientist George W Carey Chronicles executive editor Scott Richert and the Ludwig von Mises Institute's David Gordon

*Sociological Abstracts*, 1979 *Conservatism in America Since 1930* Gregory L. Schneider, 2003-06 Presents forty essays speeches and other documents on conservatism or by conservatives spanning 1930 to the turn of the century including works by Seward Collins Barry Goldwater William F Buckley Jr Irving Kristol Ronald Reagan Newt Gingrich and others

*Discerning Our Time* Richard Bettez, 2017-04-18 *Discerning Our Time* A Layman's Guide to End Time Events in America is a compelling look at historic and political trends that push the reader to look upon biblical facts as to where America fits in concerning future events This book is an easy read for people of all backgrounds and education levels It is a breakdown of exactly what scripture means from original language to historical settings that all connect to American society as we know it today Though this book gives greater enlightenment to the Christian community and is a solid resource for pastors to draw from it will truly be an eye opening experience for the open minded unbelievers or those who do not consider Christianity of any consequence within their lives The changes within American society and our culture as well as our political choices are highlighted within the word of God In this book they are accurately brought out Church denominations are put to the test as historical truths are revealed and many falsehoods about Christianity are dispelled Truth about American education business and government are documented with the light of scripture shining right next to the facts so the reader can judge for themselves Many teachers pastors and theologians don't believe America plays a significant role in the end times Some teach that it will be wiped off the map No one truly knows exact dates or for that matter what the antichrist will look like but there is a definite template laid out within the Bible America fits comfortably in that template This book is a must read if you are interested in what direction America is heading and who will rise to power in the near future

*Sociological Theory* George Ritzer, Jeffrey Stepnisky, 2017-01-05 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early

career faculty to attend the annual ASA pre conference teaching and learning workshop Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory the Tenth Edition of Sociological Theory by George Ritzer and Jeffrey Stepnisky gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology s origins through the early 21st century Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context This text helps students better understand the original works of classical and contemporary theorists and enables them to compare and contrast the latest substantive concepts

**British Racial Discourse** Frank Reeves, 1983-12-08 This book identifies a central feature of British political life the ability to justify racially discriminatory behaviour without recourse to explicit racist language It gives an account of British racial ideology as it is practically experienced in the form of political discourse and helps to provide a theoretical understanding of its relationship to the social structure as a whole and in particular its relationship to inter and intra class divisions

**The William and Mary Quarterly** Richard Lee Morton, 1962 Publishes refereed scholarship in history and related disciplines from initial Old World New World contacts to the early nineteenth century and beyond Its articles notes and documents and reviews range from British North America and the United States to Europe West Africa the Caribbean and the Spanish American borderlands Forums and topical issues address topics of active interest in the field

*The Contemporary US Peace Movement* Laura Toussaint, 2008-11-04 As peace activists have faced increased government repression and accusations of being unpatriotic since 9 11 Toussaint examines how current attempts to control dissent impact the peace movement This study offers an analysis of self identified peace activists in terms of their demographic characteristics motivation for activism political opportunities and views of the peace movement It also discusses the processes involved in successfully mobilizing an increasingly diverse constituency and how broad based support can be sustained beyond reacting to crises
