The Executive Branch

Chapter 6:

Lesson 1 The President and Vice President

ESSENTIAL QUESTION

- What is required of leaders?

Office of the President

1. **Defining** As you read the text, complete the chart below.

Constitutional Requirements of President	Characteristics of Presidents
<ul style="list-style-type: none"> • must be at least 35 years old • native-born U.S. citizen • U.S. resident for at least 14 years 	<ul style="list-style-type: none"> • So far, all have been male. • most have come from state with large populations • most have been white (Barack Obama was 1st African American president) • most have been Protestant Christians (JFK was the 1st Catholic president) • most have a college education • many have been lawyers

2. **Explaining** The president is elected by an indirect method of voting. What does that mean?

Voters do not vote directly for president. The Electoral College elects the president. When voters choose a candidate's name from the ballot, they are actually choosing a list of Electoral College members who pledge to vote for that candidate.

3. **Analyzing** How is it possible that the electoral votes of just a few small states can determine the outcome of a close presidential election?

Most states have a winner-take-all system. If a candidate wins by just a few popular votes in a state, that candidate wins all the state's electoral votes. The candidate might win several small states by winner-take-all and gain enough electoral votes to win the national election.
