Teaching Tough Topics Larry Swartz, 2020-01-15 Teaching Tough Topics shows teachers how to lead students to become caring citizens as they read and respond to quality children s literature It focuses on topics that can be challenging or sensitive yet are significant in order to build understanding of social justice diversity and equity Racism Homophobia Bullying Religious Intolerance Poverty and Physical and Mental Challenges are just some of the themes explored The book is rooted in the belief that by using picture books novels poetry and nonfiction teachers can enrich learning with compassion and empathy as students make connections to texts to others and to the world

Mechanically Inclined Jeff Anderson, Lisa Thibodeaux, 2024-12-09 Some teachers love grammar and some hate it but nearly all struggle to find ways of making the mechanics of English meaningful to kids As a middle school teacher Jeff Anderson also discovered that his students were not grasping the basics and that it was preventing them from reaching their potential as writers Jeff readily admits I am not a grammarian nor am I punctilious about anything so he began researching and testing the ideas of scores of grammar experts in his classroom gradually finding successful ways of integrating grammar instruction into writer s workshop Just in time for its 20th anniversary this long awaited second edition of Mechanically Inclined continues to merge the best of writer s workshop elements with relevant theory about how and why skills should be taught It connects theory about using grammar in context with practical instructional strategies explains why kids often don t understand or apply grammar and mechanics correctly focuses on attending to the high payoff or most common errors in student writing and shows how to carefully

construct a workshop environment that can best support grammar and mechanics concepts In this new edition longtime colleague Lisa Thibodeaux joins Jeff in emphasizing four key elements for grammar instruction short daily instruction in grammar and mechanics within writer s workshop using high quality mentor texts to teach grammar and mechanics in context visual scaffolds including wall charts and visual cues that can be pasted into writer s notebooks regular short routines like express lane edits that help students spot and correct errors automatically Comprising an overview of the research based context for grammar instruction a series of over forty detailed lessons updated research compelling new mentor texts and an appendix of helpful forms and instructional tools Mechanically Inclined is a boon to teachers regardless of their level of grammar phobia It shifts the negative rule plagued emphasis of much grammar instruction into one which celebrates the power and beauty these tools have in shaping all forms of writing
