The Lost Thorn Joshua P. Aguayo, 2015-12-10 Quito Ecuador 2132 A D Drugs an attitude and an impassioned relationship with her best female friend are the only things Samantha Thorn has left Forced to keep a facade of normality by the very mega corporation that executed her father for delving into the arcane and on the brink of mercy suicide Sam will embark on an ordeal set against dystopic hispanic locales to rescue the only family she has left with little regard for the corporate thugs and street gang politics that will stand in her way A tantalizing adventure The Lost Thorn takes on the traditional pillars of cyberpunk and shatters them with a fresh gush of inspired and playful narrative Fast paced and grim this book and its characters scramble the contrasts of the modern world a testament to the crumbling norms of a society where both body and mind have become mere tools for absolute markets
