God and Science Jaime Hernandez, 2012-08-16 The director's cut edition of the sprawling super hero epic from Love and Rockets Originally serialized in Love and Rockets New Stories Ti Girls Adventures managed to be both a rollickingly creative super hero joyride featuring three separate super teams and over two dozen characters that ranged from the other side of the universe to Maggie's shabby apartment and a genuinely dramatic fable about madness grief and motherhood as Penny Century's decades long quest to become a genuine super heroine are finally and tragically fulfilled In addition to introducing a plethora of wild new characters God and Science brings in many older characters from Jaime's universe some from seemingly throwaway shorter strips and some from Maggie's day to day world including some real surprises The main heroine of the story forming a bridge between the realistic Maggie stories and the super heroic extravaganza is Angel Maggie's sweet tempered and athletic new roommate and best friend and now herself an aspiring super heroine

The Love Bunglers Jaime Hernandez, 2014-05-14 The suppression of family history is the initial thread that ties together The Love Bunglers featuring Hernandez's longtime Love and Rockets heroine Maggie Because these secrets can't be dealt with openly their lingering effect is even more powerful But Maggie's ability to navigate and find meaning in her life despite losing her culture her brother her profession and her friends is what's made her a compelling character After a lifetime of losses Maggie finds in the second half her longtime off and on lover Ray Dominguez Much like John Updike in his four Rabbit novels Jaime Hernandez has been following his

longtime character Maggie around for several decades all of which has seemed to be building towards this book in particular

Spilling the Beans in Chicanolandia Frederick Luis Aldama, 2010-01-01 Since the 1980s a prolific second wave of Chicano a writers and artists has tremendously expanded the range of genres and subject matter in Chicano a literature and art Building on the pioneering work of their predecessors whose artistic creations were often tied to political activism and

the civil rights struggle today's Chicano writers and artists feel free to focus as much on the aesthetic quality of their work as on its social content. They use novels, short stories, poetry, drama, documentary films, and comic books to shape the raw materials of life into art objects that cause us to participate empathetically in an increasingly complex Chicano identity and experience. This book presents far-ranging interviews with twenty-one second-wave Chicano poets, fiction writers, dramatists, documentary filmmakers, and playwrights. Some are mainstream, widely recognized creators, while others work from the margins because of their sexual orientations or their controversial positions. Frederick Luis Aldama draws out the artists and authors on both the aesthetic and the sociopolitical concerns that animate their work. Their conversations delve into such areas as how the artists or writers' life experiences have molded their work, why they choose to work in certain genres, and how they have transformed them, what it means to be Chicano in today's pluralistic society, and how Chicano identity influences and is influenced by contact with ethnic and racial identities from around the world. *Three Sisters* Gilbert Hernandez, 2018-08-08. There are mythical creatures and alien abductions in this omnibus, but as always, the greatest unknown for Gilbert Hernandez's characters is what lies in their own hearts. In *Three Sisters*, which collects the graphic novels *Luba*, *Three Daughters*, *High Soft Lisp*, and more, the children are growing up, and lovers have come and gone and come and gone again as *Luba*, *Petra*, and *Fritz* move on to the next phases of their lives and careers. *Centrifugal Bumble-puppy*, 1987. *Alternative Comics* Charles Hatfield, 2009-11-12. In the 1980s, a sea change occurred in comics. Fueled by Art Spiegelman and Franco Mouly's avant-garde anthology *Raw* and the launch of the *Love Rockets* series by Gilbert Jaime and Mario Hernandez, the decade saw a deluge of comics that were more autobiographical, emotionally realistic, and experimental than anything seen before. These alternative comics were not the scatological satires of the 1960s underground, nor were they brightly colored newspaper strips or superhero comic books. In *Alternative Comics: An Emerging Literature*, Charles Hatfield establishes the parameters of alternative comics by closely examining long-form comics, in particular the graphic novel. He argues that these are fundamentally a literary form and offers an extensive critical study of them, both as a literary genre and as a cultural phenomenon. Combining sharp-eyed readings and illustrations from particular texts with a larger understanding of the comics as an art form, this book discusses the development of specific genres, such as autobiography and history. *Alternative Comics* analyzes such seminal works as Spiegelman's *Maus*, Gilbert Hernandez's *Palomar*, *The Heartbreak Soup Stories*, and Justin Green's *Binky Brown Meets the Holy Virgin Mary*. Hatfield explores how issues outside of cartooning—the marketplace, production demands, work schedules—can affect the final work. Using Hernandez's *Palomar* as an example, he shows how serialization may determine the way a cartoonist structures a narrative. In a close look at *Maus*, *Binky Brown*, and Harvey Pekar's *American Splendor*, Hatfield teases out the complications of creating biography and autobiography in a substantially visual medium and shows how creators approach these issues in radically different ways. *Luba* Gilbert Hernandez, 2006. by Gilbert Hernandez. *Luba*, *Three Daughters* is the final book in Gilbert

Hernandez's post Palomar trilogy continuing the story of matriarch Luba and her extended family's travails in the United States after her Central American hometown is destroyed at the end of Palomar. It focuses on Luba and her two sisters Fritz and Petra exploring the complex relationships that form between family and how the experiences and actions of one generation influence the next. Renowned for his female characters, Hernandez intersperses his main narrative with *The Kid Stuff*, a series of lighthearted and playful one-pagers starring the young children of the three sisters, richly juxtaposed against the complex family drama at work in *Three Daughters*. Hernandez's mix of Latino soap opera, magic realist touches, and rich naturalism speak to audiences about the changes that come with age and experience, and they are unparalleled in comics.
