Intimate Partner Violence in LGBTQ Lives Janice L. Ristock,2011-04-26 Queer lives remain at the margins of most academic inquiry into domestic violence When same sex violence is considered it is most commonly as an added on without close attention to the specificity and meaning of violence within the lives of lesbian gay bisexual transgender Two Spirit and queer people LGBTQ This edited volume seeks to change this discourse by bringing together the most innovative research about intimate partner violence that is specific to the lives of LGBTQ people Including contributions based on

research conducted in the United States the United Kingdom Canada and Australia the volume is framed around central themes conceptualizing violence exploring differing spaces and lived experiences of violence and the ethical challenges of responding to violence The contributors also consider issues of race class gender sexuality and other social differences moving beyond a simple gender lens to one involving a framework of intersectionality
