PAX Exam Study Guide ,2020-06-03 The only NLN PAX study guide based on the evidence based method of Cognitive Recall with a customizable study schedule Designed specifically for the NLN PAX this study guide includes A customizable plan to fit your unique study schedule 2 FULL practice tests with guided answer explanations 300 total practice and example questions Concise coverage of all domains and topics including review items

WHAT IS COGNITIVE RECALL Cognitive Recall is the science of implementing the optimal space of time between learning something then reviewing it and later quizzing yourself on it Scientists say studying effectively is not a function of how long or how often you study it s the order schedule and timing of your studies Traditional study guides tend to be nothing more than extended versions of repeated cram sessions which is neither efficient or effective Cramming is the opposite of Cognitive Recall learning evidenced by the extremely short lived benefits The memories from a cram session have been shown to fade away after only a few hours That s not an option if you are serious about passing the NLN PAX CUSTOMIZED STUDY SCHEDULE Designed around the ideal timeframe of 30 days our system can be easily extended or reduced to fit your specific schedule and test date This PAX Guide has the functionality of a customizable calendar telling you not only what to focus on but when to focus on it

Mometrix, 2020-03-16 Mometrix Test Preparation's PAX Exam Prep Study Guide 2020 and 2021 Pre Admission Test Secrets Study Guide is the ideal prep solution for anyone who wants to pass their NLN Pre Admission Examination. The exam is extremely challenging and thorough; test preparation is essential for success. Our study guide includes Practice test questions with detailed answer explanations, Step by step video tutorials to help you master difficult concepts, Tips and strategies to help you get your best test performance, A complete review of all PAX test sections. Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your PAX exam: the concepts, procedures, principles, and vocabulary that the National League for Nursing (NLN) expects you to have mastered before sitting for your exam. Test sections include Reading Comprehension, Word Knowledge, Mathematics, Biology, Human Anatomy and Physiology, Chemistry, Physics, and much more. Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing but are explained in detail. The Mometrix PAX study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of PAX practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step by step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our PAX Exam Prep Study Guide 2020 and 2021 Pre Admission Test Secrets Study Guide is no exception. It's an excellent investment in your future.
