Hollidae,2019-08-17 The Third in the African American Urban Romance Series featuring African American Couples Rafael and Akilah Part 3 of 3 I ve always had some bitterness that it was me that had to go through what I did And part of me argues it was probably just cosmic luck of the draw But another part of me has always wanted to find some meaning in my violent past something to show that whoever or whatever may or may not be in charge of the universe wasn t just messing with me After a tumultuous first few years together Rafael s relationship with Akilah is finally stable They re both only months from graduating college Akilah s getting ready for law school and Rafael He s really not sure what he wants to do with the rest of his life But he ll figure it out Then an old sex video of Rafael ends up online for the world to see and there goes stability With his silence doing more damage than the actual video and his reputation and professional future on the line Rafael decides the best way to undo the damage is to be completely truthful about the traumatic and violent past he s tried to keep hidden He expected some backlash from his decision not to be the silent victim anymore What he didn t expect was Akilah s own hidden past and damning indiscretions to be exposed and used against her Nor did he expect it to go viral Now Rafael has to decide if defending himself is worth the cost of Akilah s future and possibly their relationship or if he should just close his mouth and hope everything blows over But it might be too late to stop And even if it wasn t Rafael s not sure he wants to Either way he hopes Akilah will forgive him **All the Little Things Boxset Books 1-3** B. Hollidae,2019-08-14

The first 3 books in the All the Little Things African American Romance Series Spanning over a period of six years from high school sweethearts to learning what it means to be in love and a relationship as broken young adults Read Rafael and Akilah s complete 3 part love story All the Little Things After fleeing Miami for a new start Akilah was the last thing 19 year old Rafael needed She was everything he avoided in the past with girls Opinionated Assertive Shrewd Too curious for her own good Bold Daring The type you didn t want involved when you were running and had something to hide He fell for her anyway There are a lot of big reasons that Rafael shouldn t be with Akilah There are a lot of big reasons why he can t be with her But shouldn t and can t aren t in her vocabulary And there are a lot of other reasons little things really that Rafael should be with her that outweigh the big things But when his past his abuser the reason he lived on the streets for three years the reason he can never go back home the biggest reason he shouldn t get involved with Akilah comes knocking on the door Rafael has a choice to make Confront it Or lose Akilah forever All the Uncertain Things Rafael and Akilah had it all figured out Graduate high school go to college and for Rafael after a year of struggling with mental health issues and recovering from sexual abuse that happened to

him as a teen trying to be better and more attentive to Akilah Akilah getting pregnant just before they graduated high school wasn't part of that plan Now Rafael has to grapple with his mixed emotions about it He didn't want kids but Akilah's keeping the baby whether he wants her to or not and he sure as hell doesn't want to be like the dad who left him before he could really remember him At the same time he's terrified if he stays he'll turn into the stepdad that abused him and his mother Considering his history and the bad examples he's had for male role models his whole life Rafael's not sure he can do it And given that he keeps messing up and even Akilah seems to doubt that he can be what she and their baby need for him to be he's uncertain he should even try Maybe his dad did have a good reason for leaving Rafael and his mom behind and maybe that same reason is good enough for Rafael to do the same to Akilah so he's gone before he can even give their kid even a vague memory of him All the Hidden Things After a tumultuous first few years together Rafael's relationship with Akilah is finally stable They're both only months from graduation Akilah's getting ready for law school and Rafael He's really not sure what he wants to do with the rest of his life But he'll figure it out Then an old sex video of Rafael ends up online for the world to see and there goes stability With his silence doing more damage than the actual video and his reputation and professional future on the line Rafael decides the best way to undo the damage is to be completely truthful about the traumatic and violent past he's tried to keep hidden He expected some backlash from his decision not to be the silent victim anymore What he didn't expect was Akilah's own hidden past and damning indiscretions to be exposed and used against her Nor did he expect it to go viral Now Rafael has to decide if defending himself is worth the cost of Akilah's future and possibly their relationship or if he should just close his mouth and hope everything blows over But it might be too late to stop And even if it wasn't Rafael's not sure he wants to Either way he hopes Akilah will forgive him TW Discussion of rape Child abuse abortion and sexual violence

Meaning/Meaning of Politics Jason L. Mast,Jeffrey C. Alexander,2018-11-12 The 2016 U S presidential election revealed a nation deeply divided and in flux This volume provides urgently needed insights into American politics and culture during this period of uncertainty The contributions answer the election s key mysteries such as how contemporary Christian evangelicals identified in the unrepentant candidate Trump a hero to their cause and how working class and economically struggling Americans saw in the rich and ostentatious candidate a champion of their plight The chapters explain how irrationality is creeping into political participation and demonstrate how media developments enabled a phenomenon like fake news to influence the election At this polarized and contentious moment this volume satisfies the urgent need for works that carefully analyze the forces and tensions tearing at the American social fabric Simultaneously intellectual and accessible this volume is designed to illuminate the 2016 U S presidential election and its aftermath for academics and students of politics alike

Luigi John H. Richardson,2025-11-04 The first book to explain why the world was primed for the Luigi Mangione moment showing the history that led him to be embraced as an avenger with an affection not seen since Jesse James or Robin Hood The explosion of glee and sympathy for Luigi surprised everyone but it was everywhere Hours after the shooting of the United Healthcare executive his company put out a message out on Facebook saying their hearts go out to Brian s family and all who were close to him People replied with laughing emojis and comments like this one No one here is the judge of who deserves to live or die That s the job of the AI algorithm the insurance company designed to maximize profits on your health On TikTok another commentator said Oh my god y all really raised the school shooter generation and now you re asking us for sympathy she asks Welcome to a regular Tuesday at school in America When he was arrested TikTok exploded with more love for Luigi They could ve been more gentle with him he has back problems said one commentator Others attempted to come to his rescue He is innocent he was with me the whole time eBay said that while it had a policy prohibiting items that glorify violence they were allowing the sale of items with the words deny defend depose In Seattle someone reprogrammed a couple of electric highway signs so they flashed One CEO down many more to go So where is all this coming from Richardson has tracked the building blocks of this widespread alienation for three decades finding it across not only the environmental movement but among those who reject capitalism itself including the rules that govern everything from insurance to healthcare He has followed the men and women who have gone to extremes to express that alienation and studied the inspirations they found in other outlaws most especially Ted Kaczynski Luigi had posted a review of Kaczynski s manifesto on Goodreads The result is a book that will put Luigi in context and even illuminate how his appeal is likely to play out in the future
