 need a step by step guide that does a little better at explaining why you re doing things Just need a little overview on the
 basic steps before you start buying gear Need some guidance on what all this stuff is supposed to do for you This booklet
 might help you out At least I hope it will It s supposed to This book will not give you loads for your particular cartridge there
 are hundreds of other books for that This book will give you the basics and help you understand the actual mechanics of
 cleaning depriming sizing trimming powder measuring and seating a bullet *The Accurate Chain (South African Edition)*
 Hendrik van Rensburg,2020-08-18 The aim of this book is to help the average hunter and sport shooter who uses a bolt
 action rifle to accurise his or her shooting system and to be able shoot more competitively and with more self confidence This
 aim led to the title of the manual The Accurate Chain The accuracy chain consists of three main links the rifle the
 ammunition and the human factor These are joined together with many smaller links If just one of the links is broken you don
 t have a chain If you work through this manual attentively you will find out how to accurise your rifle correctly and how to
 choose and use the correct equipment and tools for accurate reloading and load development for your rifle **Lyman Pistol**
