**Stroke Clinician's Handbook, The: A Practical Guide To The Care Of Stroke Patients** Robert Ngo Gan, N Venketasubramanian Ramani, 2008-03-02 There are numerous elaborate

and comprehensive textbooks and guidelines on stroke. However, busy clinicians are constantly bombarded with new knowledge for an infinite number of medical conditions. It becomes a challenge for them to tease out the important information that will help guide them through the care of the patient they have right before them. This handbook was thus conceptualized with both the busy clinician and the stroke patient needing urgent treatment in mind. By providing only essential information in a standard and user-friendly layout, it assists clinicians in making real-time decisions quickly and effectively with actual step-by-step guides on specific issues relevant to the care of stroke patients. The use of this practical handbook is instinctive with the topics arranged in chronological order, simulating the actual clinical scenario from a prehospital setting, consultation in the emergency room, admission to the hospital, to secondary prevention in the clinic. With contributions from over 30 stroke experts in Southeast Asia, this handbook is widely applicable in different medical settings and will certainly appeal to stroke specialists, general practitioners, nurses, paramedics, and medical students alike.

Chartbundle rev A.      *Dallas Cowboys in the Hall of Fame* David Thomas, 2016-05-12. Troy Aikman, Emmitt Smith, Michael Irvin, Tom Landry. The names are easily recognizable as Dallas Cowboys, and their legacies are on display in one location, the Pro Football Hall of Fame in Canton, Ohio. Twenty-two members of the Hall of Fame were a part of the Dallas franchise; only eight NFL teams can boast more, and seven of those teams have been in existence much longer than the Cowboys. In *Dallas Cowboys in the Hall of Fame: Their Remarkable Journeys to Canton*, David Thomas shares the stories of these incredible players and the ups and downs they all experienced on their way to pro football's most exclusive club. Each player's life story is told in such a way to reveal what led him to become a hall of famer, including childhood memories, influential coaches, the teammates who brought the best out in them, and more. Cowboy fans will discover such details as the fact that Troy Aikman was the largest player on his high school football team, bigger even than the linemen, and that it was Michael Irvin's fancy last-minute talking with the Green Bay Packers on draft day that got him to Dallas and away from a cold-weather team. In addition, each entry includes career statistics, a player bio, and his top five Cowboy moments, describing his greatest games and on-field accomplishments. Cowboy fans have become accustomed to watching high-caliber players on the field every season, and *Dallas Cowboys in the Hall of Fame* brings them the inside information on their favorite stars of the past. All football fans will enjoy the chance to learn more about the iconic players profiled in this book, legends who
