American Democracy Now Chapter 2: The Constitution

Chapter Summary:

Chapter 2 describes and charts the basic constitutional evolution of the United States, including:

- The components of constitutional documents—description of missions, foundational structures, and essential procedures
- The political, economic, and social factors leading to the creation of the United States of America
- The core components of the Constitution of the United States of America
- The Constitution today as an amendable document for change

Chapter Learning Objectives:

Having studied this chapter, students should be able to do each of the following:

1. Define the term *constitution*; identify its three basic components.
2. Identify concepts found in the Articles of Confederation.
3. Recall key events that led to the U.S. Constitution.
4. Identify influences on Jefferson's understanding of government.
5. Compare the U.S. Constitution with state constitutions and the Articles of Confederation.
6. List the key issues and compromises reflected in the Constitution.
7. Identify passages in the Constitution outlining foundational structures of government.
