Hart On Responsibility Philosophers In Depth:

Hart on Responsibility C. Pulman, 2014-11-18 A collection of essays discussing Herbert Hart's writings on responsibility. The essays focus upon Hart's work on causation in the law and on the justification of punishment. Specific topics discussed include senses of responsibility, voluntariness, Mill's harm principle, mens rea, excuses, the Hart-Wootton debate, and negligence.

Hart on Responsibility C. Pulman, 2014-11-18 A collection of essays discussing Herbert Hart's writings on responsibility. The essays focus upon Hart's work on causation in the law and on the justification of punishment. Specific topics discussed include senses of responsibility, voluntariness, Mill's harm principle, mens rea, excuses, the Hart-Wootton debate, and negligence.

The Routledge Handbook of Philosophy of Responsibility Maximilian Kiener, 2023-11-07 The philosophical inquiry of responsibility is a major and fast growing field. It not only features questions around free will and moral agency but also addresses various challenges in the social, institutional, and legal contexts in which people are being held responsible. The Routledge Handbook of Philosophy of Responsibility is an outstanding survey and exploration of these issues. Comprised of forty-one chapters by an international team of contributors, the Handbook is divided into three clear parts: on the history, the theory, and the practice of responsibility. Within which the following key topics are examined: responsibility and wrongdoing, responsibility and determinism, the scope of responsibility, the responsibility of individuals within society, the concepts of responsibility, the conditions and challenges of responsibility, the practices of being and holding responsible, the ethics and politics of responsibility, responsibility in the law. Including suggestions for further reading at the end of each chapter. The Routledge Handbook of Philosophy of Responsibility provides an extremely useful guide to the topic. It will be valuable reading for students and researchers in philosophy and applied ethics, as well as for those in related fields such as politics, law, and policymaking.

The Legacy of H.L.A. Hart Matthew H. Kramer, 2008 This book is the product of a major British Academy Symposium held in 2007 to mark the centenary of the birth of H. L. A. Hart, the most important legal philosopher and one of the most important political philosophers of the twentieth century. The book brings together contributions from eighteen of the world's foremost legal and political philosophers who explore the many subjects in which Hart produced influential work. Each essay engages in an original analysis of philosophical problems that were tackled by Hart, some essays including extended critical discussions of his major works: *The Concept of Law*, *Punishment and Responsibility*, *Causation in the Law*, and *Law, Liberty, and Morality*. All the main topics of Hart's philosophical writings are featured: general jurisprudence and legal positivism, criminal responsibility and punishment, theories of rights, toleration and liberty, theories of justice and causation in the law.

Defeasibility in Philosophy Claudia Blöser, Mikael Janvid, Hannes Ole Matthiessen, Marcus Willaschek, 2013-12-01 Defeasibility, most generally speaking, means that given some set of conditions A, something else B will hold unless or until defeating conditions C apply. While the term was introduced into philosophy by legal philosopher H. L. A. Hart in 1949, today the concept of defeasibility is employed in many different areas of philosophy. This

volume for the first time brings together contributions on defeasibility from epistemology Mikael Janvid Klemens Kappel Hannes Ole Matthiessen Marcus Willaschek Michael Williams legal philosophy Frederick Schauer and ethics and the philosophy of action Claudia Bl ser R Jay Wallace Michael Quante and Katarzyna Paprzycka The volume ends with an extensive bibliography by Michael de Araujo Kurth

Responsibility and Punishment J. Angelo Corlett, 2013-12-23 This volume provides discussions of both the concept of responsibility and of punishment and of both individual and collective responsibility It provides in depth Socratic and Kantian bases for a new version of retributivism and defends that version against the main criticisms that have been raised against retributivism in general It includes chapters on criminal recidivism and capital punishment as well as one on forgiveness apology and punishment that is congruent with the basic precepts of the new retributivism defended therein Finally chapters on corporate responsibility and punishment are included with a closing chapter on holding the U S accountable for its most recent invasion and occupation of Iraq The book is well focused but also presents the widest ranging set of topics of any book of its kind as it demonstrates how the concepts of responsibility and punishment apply to some of the most important problems of our time This is one of the best books on punishment and the Fourth Edition continues its tradition of excellence The book connects punishment importantly to moral responsibility and desert and it is comprehensive in its scope both addressing abstract theoretical issues and applied issues as well The topics treated include collective responsibility apology forgiveness capital punishment and war crimes Highly recommended John Martin Fischer Distinguished Professor of Philosophy University of California Riverside

Selected Philosophical and Methodological Papers Paul Everett Meehl, The scope and imagination of Meehl's emeritus of psychology psychiatry and philosophy at the U of Minnesota and cofounder of the Minnesota Center for Philosophy of Science work are revealed in this collection of previously published essays as he explores the mind body problem freedom and determinism psychoanalytic explanation theory appraisal moral aspects of insanity and the law and precognitive telepathy Annotation copyrighted by Book News Inc Portland OR

Moral Responsibility Nicole A. Vincent, Ibo van de Poel, Jeroen van den Hoven, 2011-08-17 It is well over a decade since John Fischer and Mark Ravizza and before them Jay Wallace and Daniel Dennett defended responsibility from the threat of determinism But defending responsibility from determinism is a potentially endless and largely negative enterprise it can go on for as long as dissenting voices remain and although such work strengthens the theoretical foundations of these theories it won't necessarily build anything on top of those foundations nor will it move these theories into new territory or explain how to apply them to practical contexts To this end the papers in this volume address these more positive challenges by exploring how compatibilist responsibility theory can be extended and or applied in a range of practical contexts For instance how is the narrow philosophical concept of responsibility that was defended from the threat of determinism related to the plural notions of responsibility present in everyday discourse and how might this more fine grained understanding of responsibility open up new vistas and challenges for compatibilist theory What light might

compatibilism shed and what light might be shed upon it by political debates about access to public welfare in the context of responsibility for one's own health and by legal debates about the impact of self-intoxication on responsibility. Does compatibilist theory which was originally designed to cater for analysis of individual actions scale to scenarios that involve group action and collective responsibility e.g. for harms due to human-induced climate change. This book's chapters deal with a range of theoretical problems discussed in classic compatibilist literature e.g. the relationship between responsibility and capacity, the role of historical tracing in discounting the exculpatory value of incapacities and the justifiability of retributive punishment. But instead of motivating their discussions by focusing on the alleged threat that determinism poses to responsibility, these chapters' authors have animated their discussions by tackling important practical problems which crop up in contemporary debates about responsibility.

Moral Pluralism and the Complexity of Punishment Nicolas Nayfeld, 2023-05-05. This book advances a new interpretation of Hart's penal philosophy. Positioning itself in opposition to current interpretations, the book argues that Hart does not defend a mixed theory of punishment nor a rule-utilitarian theory of punishment nor a liberal form of utilitarianism nor a goal-constraint approach. Rather, it is argued, his penal philosophy is based on his moral pluralism, which comprises two aspects: value pluralism and pluralism with respect to forms of moral reason. It is held that this means, on the one hand, that criminal law has an irreducible complexity due to the compromises it makes to accommodate competing values, and on the other hand, that there need not be one single justification of punishment. This original interpretation is not based only on Hart's key volume on the subject, *Punishment and Responsibility*, but on a careful reading of his complete works. The book will be a valuable resource for academics and researchers interested in Hart's philosophy, the philosophy of law, and criminal law.

The Blackwell Guide to the Philosophy of Law and Legal Theory Martin P. Golding, William A. Edmundson, 2008-04-15. The Blackwell Guide to the Philosophy of Law and Legal Theory is a handy guide to the state of play in contemporary philosophy of law and legal theory. Comprises 23 essays, critical essays on the central themes and issues of the philosophy of law today, written by an international assembly of distinguished philosophers and legal theorists. Each essay incorporates essential background material on the history and logic of the topic, as well as advancing the arguments. Represents a wide variety of perspectives on current legal theory.

Philosophy and the Criminal Law Antony Duff, 1998-02-13. Five legal theorists discuss a range of questions on the nature of the philosophy of criminal law.

The Routledge Handbook on Responsibility in International Relations Hannes Hansen-Magnusson, Antje Vetterlein, 2021-07-29. What does responsibility mean in International Relations (IR)? This handbook brings together cutting-edge research on the critical debates about responsibility that are currently being undertaken in IR theory. This handbook both reflects upon an emerging field based on an engagement in the most crucial theoretical debates and serves as a foundational text by showing how deeply a discussion of responsibility is embedded in broader questions of IR theory and practice. Contributions cover the way in which responsibility is theorized across different approaches in IR and relevant

neighboring disciplines and demonstrate how responsibility matters in different policy fields of global governance Chapters with an empirical focus zoom in on particular actor constellations of emerging states international organizations political movements or corporations or address how responsibility matters in structuring the politics of global commons such as oceans resources or the Internet Providing a comprehensive overview of IR scholarship on responsibility this accessible and interdisciplinary text will be a valuable resource for scholars and students in many fields including IR international law political theory global ethics science and technology area studies development studies business ethics and environmental and security governance

Hart's Legal Philosophy M.E. Bayles,2013-03-09 During the last half of the twentieth century legal philosophy or legal theory or jurisprudence has grown significantly It is no longer the domain of a few isolated scholars in law and philosophy Hundreds of scholars from diverse fields attend international meetings on the subject In some universities large lecture courses of five hundred students or more study it The primary aim of the Law and Philosophy Library is to present some of the best original work on legal philosophy from both the Anglo American and European traditions Not only does it help make some of the best work available to an international audience but it also encourages increased aware ness of and interaction between the two major traditions The primary focus is on full length scholarly monographs although some edited volumes of original papers are also included The Library editors are assisted by an Editorial Advisory Board of internationally renowned scholars Legal philosophy should not be considered a narrowly circumscribed field Insights into law and legal institutions can come from diverse disciplines on a wide range of topics Among the relevant disciplines or perspectives contributing to legal philosophy besides law and philosophy are anthropol ogy economics political science and sociology Among the topics included in legal philosophy are theories of law the concepts of law and legal institu tions legal reasoning and adjudication epistemological issues of evidence and procedure law and justice economics politics or morality legal ethics and theories of legal fields such as criminal law contracts and property The Philosophy of Law Christopher Berry Grey,2013-07-04 From articles centering on the detailed and doctrinal exposition of the law to those which reside almost wholly within the realm of philosophical ethics this volume affords comprehensive treatment to both sides of the philosophico legal equation Systematic and sustained coverage of the many dimensions of legal thought gives ample expression to the true breadth and depth of the philosophy of law with coverage of The modes of knowing and the kinds of normativity used in the law Studies in international constitutional criminal administrative persons and property contracts and tort law including their historical origins and worldwide ramifications Current legal cultures such as common law and civilian European and Aboriginal Influential jurisprudents and their biographies All influential schools and methods

Theories of International Responsibility Law Samantha Besson,2022-09-08 A dialogue between international responsibility lawyers and legal philosophers laying the groundwork for new research and legal reform **The Palgrave Handbook on the Philosophy of Punishment** Matthew C. Altman,2023-03-23 This Handbook provides a comprehensive

survey of major topics in the philosophy of punishment from many of the field's leading scholars Key features Presents a history of punishment theory from ancient times to the present Evaluates the main proposed justifications of punishment including retributivism general and specific deterrence theories mixed theories expressivism societal defense theory fair play theory rights forfeiture theory and the public health quarantine model Discusses sentencing proportionality policing prosecution and the role punishment plays in the context of the state Examines advances in neuroscience and debates about whether free will skepticism undermines the justifiability of punishment Considers forgiveness restorative justice and calls to abolish punishment Addresses pressing social issues such as mass incarceration juvenile justice punitive torture the death penalty and cruel and unusual punishment With its unmatched breadth and depth this book is essential reading for scholars who want to keep abreast of the field and for advanced students wishing to explore the frontiers of the subject

Moral Responsibility and the Boundaries of Community Marion Smiley, 2009-09-15 The question of responsibility plays a critical role not only in our attempts to resolve social and political problems but in our very conceptions of what those problems are Who for example is to blame for apartheid in South Africa Is the South African government responsible What about multinational corporations that do business there Will uncovering the true facts of the matter lead us to the right answer In an argument both compelling and provocative Marion Smiley demonstrates how attributions of blame far from being based on an objective process of factual discovery are instead judgments that we ourselves make on the basis of our own political and social points of view She argues that our conception of responsibility is a singularly modern one that locates the source of blameworthiness in an individual's free will After exploring the flaws inherent in this conception she shows how our judgments of blame evolve out of our configuration of social roles our conception of communal boundaries and the distribution of power upon which both are based The great strength of Smiley's study lies in the way in which it brings together both rigorous philosophical analysis and an appreciation of the dynamics of social and political practice By developing a pragmatic conception of moral responsibility this work illustrates both how moral philosophy can enhance our understanding of social and political practices and why reflection on these practices is necessary to the reconstruction of our moral concepts

The Law in Philosophical Perspectives Luc J. Wintgens, 2013-04-17 In this age of collections that is ours many volumes of collections are published They contain contributions of several well known authors and their aim is to present a selective overview of a relevant field of study This book has the same purpose Its aim is to introduce students scholars and all those interested in current problems of legal theory and legal philosophy to the work of the leading scholars in this field The large number of publications both books and articles that have been produced over recent decades makes it quite difficult however for those who are making their first steps in this domain to find firm guidelines The book is new in its genre because of its method The choice was made not to reprint an example of contributors' earlier basic articles or a part of one of their books This would only give a partial view of the rich texture of their work Rather the authors were asked to make

an original synthesis of their own contributions to the field of legal theory and legal philosophy Brought together in this volume they constitute a truly author ised view of their work This book is also new in that each essay is complemented with bibliographical information in order to encourage further research on the author s self selected work This will help the reader rapidly to become familiar with the whole of the published work of the contributors Readings in the Philosophy of Law - Third Edition Keith C. Culver, Michael Giudice, 2017-05-25 Readings in the Philosophy of Law brings together central texts on such topics as legal reasoning the limits of individual liberty responsibility and punishment and international law The included selections provide superb coverage of both classic and contemporary views and are edited only lightly to allow readers to grapple with arguments in their original form Culver and Giudice s clear accessible introductions discuss key terms claims issues and points of connection and disagreement Readings are placed within their historical and social contexts with analogies and examples emphasizing the continuing relevance of the arguments at issue This third edition is updated to take account of the rise of legal pluralism debates over judicial review of constitutional rights anti terrorism laws hate crime and non state law at both regional and global levels **Harm's Way** Sandra Macpherson, 2010-01-18 Conventional studies of the 18th century novel link the form s evolution to the emergence of a modern liberal subject whose actions and attachments are imagined to be voluntary and intentional Sandra Macpherson challenges this account of modernity arguing that accident and injury are central to the way the early realist novel conceives of personhood and belonging Macpherson s unique approach connects the rise of the novel to contemporary developments in liability law in particular to legal principles of strict liability that hold persons accountable for harms inflicted upon others in the absence of intention consent direct action or foreknowledge In fresh readings of Defoe Richardson and Fielding she shows that these laws share with the novel the view that the state of a person s mind is irrelevant to the question of her responsibility for her actions Macpherson urges readers to rethink the ancient consensus that the novel differs from tragedy in its elevation of character over plot She concludes that the realist novel is ultimately a tragic form committed to holding persons accountable for accidents of fate Macpherson s original insights will have a broad and lasting impact on the study of the 18th century novel Jonathan Kramnick

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Hart On Responsibility Philosophers In Depth**

In a global inundated with monitors and the cacophony of fast transmission, the profound energy and mental resonance of verbal artistry often fade into obscurity, eclipsed by the continuous barrage of noise and distractions. However, nestled within the lyrical pages of **Hart On Responsibility Philosophers In Depth**, a interesting function of literary beauty that pulses with organic feelings, lies an remarkable trip waiting to be embarked upon. Hart On Responsibility Philosophers In Depth Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Hart On Responsibility Philosophers In Depth PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Hart On Responsibility Philosophers In Depth PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Hart On Responsibility Philosophers In Depth free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Hart On Responsibility Philosophers In Depth Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Hart On Responsibility Philosophers In Depth is one of the best book in our library for free trial. We provide copy of Hart On Responsibility Philosophers In Depth in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Hart On Responsibility Philosophers In Depth. Where to download Hart On Responsibility Philosophers In Depth online for free? Are you looking for Hart On Responsibility Philosophers In Depth PDF? This is definitely going to save you time and cash in

something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Hart On Responsibility Philosophers In Depth. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Hart On Responsibility Philosophers In Depth are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Hart On Responsibility Philosophers In Depth. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Hart On Responsibility Philosophers In Depth To get started finding Hart On Responsibility Philosophers In Depth, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Hart On Responsibility Philosophers In Depth So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Hart On Responsibility Philosophers In Depth. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Hart On Responsibility Philosophers In Depth, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Hart On Responsibility Philosophers In Depth is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Hart On Responsibility Philosophers In Depth is universally compatible with any devices to read.
