Soon As the Dragons Hatched Martin Genz, 2017-09-25 One of the main question in our lives Who or What do I have to do eliminate first after the dragons hatch? You hope and wait for the little beasts to hatch and as soon as they did you have finished nothing. What now? Who do I take care of first? In such a confusion and the resulting emotional exceptional situations mistakes can happen and sometimes the wrong person can be caught. This Book is the end of it. While you are waiting for the hatching you can fill in this little book and as soon as you have the dragons at your disposal you can work through the list point by point and page by page. No thinking just go for it. Fantastic. For the sake of clarity this is YOUR plan so you have to label the pages accordingly. Discreet guidelines support you in this process but they can also be easily over painted when pictures say more than words. Have fun with this notebook. **The Dragon in the Sock Drawer** Kate Klimo, 2010 Cousins
