Responding to Hate Crime Chakraborti, Neil, Garland, Jon, 2015-07 The policy makers that govern responses to hate crimes and the institutions that research those crimes have up to this point been separate policy makers have not taken research into consideration and researchers have conducted their studies with little reference to policies This book bridges the gap between the two by bringing together internationally renowned hate crime experts from the domains of academia policy making and activism The contributors provide new perspectives on the nature of hate crimes their victims and their perpetrators exploring a range of themes challenges and solutions that have otherwise received little attention The result is a collection of innovative ways of combating hate crime that combines cutting edge research with the latest in professional innovations while remaining accessible to a wide audience

Understanding Hate Crimes Carolyn

Turpin-Petrosino, 2015-03-27 Hate crimes and lesser acts of bigotry and intolerance are seen to be constants in today's world Since 1990 the federal government has published annual reports on hate crime incidents in the United States While the reported numbers are disturbing even more devastating is the impact of these crimes on individuals communities and society This comprehensive textbook can serve as a stand alone source for instructors and students who study hate crimes and or other related acts It invites the reader to consider relevant social mores and practices as well as criminal justice policies as they relate to hate crimes by presenting this subject within a broad context

Hate Crime Neil Chakraborti, 2017-09-25 Hate crime has become an increasingly familiar term in recent times as problems of bigotry and prejudice continue to pose

complex challenges for societies across the world Although greater recognition is now afforded to hate crimes and their associated harms the problem is still widespread and many key questions remain unanswered Are we doing enough to protect vulnerable members of society Are we doing enough to address the offending behaviour of hate crime perpetrators Are there better ways of understanding and responding to hate crime This book brings together contributions from leading experts in the field to address these and other contested issues in this fascinating and often controversial subject area Drawing upon innovative work being undertaken nationally and internationally the book offers fresh ideas on hate crime scholarship and policy and in so doing enables readers to re evaluate the concept of hate crime in the light of fresh research theory and policy It provides much needed ways of taking the hate debate forward as well as offering practical suggestions for developing both scholarship and policy in a more progressive manner *Policing Cyber Hate, Cyber Threats and Cyber Terrorism* Brian Blakemore, 2016-04-22 What are cyber threats This book brings together a diverse range of multidisciplinary ideas to explore the extent of cyber threats cyber hate and cyber terrorism This ground breaking text provides a comprehensive understanding of the range of activities that can be defined as cyber threats It also shows how this activity forms in our communities and what can be done to try to prevent individuals from becoming cyber terrorists This text will be of interest to academics professionals and practitioners involved in building social capital engaging with hard to reach individuals and communities the police and criminal justice sector as well as IT professionals **Handbook of Victims and Victimology** Sandra Walklate, 2017-07-14 This second edition of the Handbook of Victims and Victimology presents a comprehensively revised and updated set of essays bringing together internationally recognised scholars and practitioners to offer substantial research informed overviews within their specialist fields of investigation This handbook is divided into five parts with each part addressing a different theme within victimology Part I offers a scene setting exploration of new developments in the field enduring issues that remain relatively unchanged and the gaps and traps within the contemporary victimological agenda Part II examines of the complex dimensions to victim experiences as structured by gender age ethnicity sexuality and intersectionality Part III reflects on the problems and possibilities of formulating policy responses in the light of the changing appreciation of the nature and extent of victimhood Part IV focused on the value of a comparative lens and the problems and possibilities of victim policies when seen through this lens explored along three geographical axes Europe Australia and Asia Part V considers other ways of thinking about who counts as a victim and what counts as victimhood and extends the boundaries of the victimological imagination outward Building on the success of the previous edition this book provides an international focus on cutting edge issues in the field of victimology Including brand new chapters on intersectionality child victims sexuality hate crime and crimes of the powerful this handbook is essential reading for students and academics studying victims and victimology and an essential reference tool for those working within the victim support environment *Sex Work and Hate Crime* Rosie Campbell, Teela Sanders, 2021-11-09 This book brings

together literature empirical research findings from two projects and policy analysis to examine how some forces in England have adopted the approach of treating crimes against sex workers as hate crimes This book identifies some of the benefits of the hate crime approach to crimes against sex workers both operationally and for some of the victims of crime The authors argue that the hate crime approach should not be seen as an alternative to decriminalisation of sex work but can provide a pathway to achieving more sensitive but robust policing of crimes against sex workers and support in accessing justice through the criminal justice system They also examine the broader context of hate crime policy and scholarship as they debate the relevance problems and merits of the sex work hate crime model The book provides another dimension to current theoretical and policy debates about widening definitions and law around hate crime to include other groups beyond existing protected characteristics *Handbook of Sensitive Research in the Social Sciences* Pranee Liamputtong,2025-03-12

Scapegoating Islam Jeffrey L. Thomas, 2015-09-15 Exploring the experience of Muslims in America following 9 11 this book assesses how anti Muslim bias within the U S government and the larger society undermines American security and democracy In the aftermath of the events of September 11 2001 Muslims in America have experienced discrimination and intolerance from the U S government and American citizens alike From religious and ethnic profiling to hate crimes intolerance against Muslims is being reinforced on multiple levels undercutting the Muslim community's engagement in American society This text is essential for understanding how the unjust treatment of American Muslims following September 11 has only served to alienate the Muslim community and further divide the United States Authored by an expert analyst of policy for 20 years this book explores the prejudice against Muslims and how the actions of the U S government continue to perpetuate fear and stereotypes within U S citizens The author posits that by respecting the civil rights of Muslims the government will lead by example in the acceptance of American Muslims improving homeland security along with the lives of Muslims living in the United States

Handbook on Crime Fiona Brookman, Mike Maguire, Harriet Pierpoint, Trevor Bennett, 2010-02-01 The Handbook on Crime is a comprehensive edited volume that contains analysis and explanation of the nature extent patterns and causes of over 40 different forms of crime in each case drawing attention to key contemporary debates and social and criminal justice responses to them It also challenges many popular and official conceptions of crime This book is one of the few criminological texts that takes as its starting point a range of specific types of criminal activity It addresses not only conventional offences such as shoplifting burglary robbery and vehicle crime but many other forms of criminal behaviour often an amalgamation of different legal offences which attract contemporary media public and policy concern These include crimes committed not only by individuals but by organised criminal groups corporations and governments There are chapters on for example gang violence hate crime elder abuse animal abuse cyber crime identity theft money laundering eco crimes drug trafficking human trafficking genocide and global terrorism Many of these topics receive surprisingly little attention in the criminological literature The Handbook on Crime will be a unique text of lasting value to students researchers academics practitioners policy makers journalists and all others involved in understanding and preventing criminal behaviour

Examining Crime and Justice around the World Janet

P. Stamatel,2020-11-04 A thorough and timely investigation of both well established and emerging crime and punishment issues this book provides readers with compelling examples of how different countries around the world confront these problems This book offers a detailed look at 10 hot topics in crime and punishment that are shared by many countries Some of these topics are well established within the field of criminology such as patterns of criminal behavior juvenile delinquency drug trafficking policing and punishment others are emerging topics that have not been well studied across a variety of countries such as violence against women hate crimes and gun control Within each topic the book explores how eight countries experience the issue highlighting similarities across different places as well as unique treatments of the problem The chapter on punishment addresses the widespread use of incarceration as criminal punishment but also considers different philosophies with respect to the purpose of incarceration and whether or not this strategy is effective in the face of large scale criminal events such as mass atrocities The country narratives provide historical context for understanding the particular crime or punishment issue current trends and relevant statistical data for describing the extent of the issue and changes over time in addition to contemporary examples of the issue

Racial Justice and the Limits of Law

Bharat Malkani,2024-04-23 Racial justice is never far from the headlines The Windrush scandal the toppling of the statue of Edward Colston and racism within the police have all recently captured the public s attention and generated legal action But although the ideals of the legal system such as fairness and equality seem allied to the struggle for racial justice all too often campaigners have been let down by the system This book examines law s troubled relationship with racial justice It explains that law s historical role in creating and perpetuating racial injustices continues to stifle its ability to advance the cause of racial justice today Both a lawyer s guide to antiracism and an antiracist s guide to legal action it unites these perspectives to help both groups understand how to use the law to tackle racial injustices

New Directions in Race, Ethnicity and Crime Coretta Phillips,Colin Webster,2013-10-08 The disproportionate criminalisation and incarceration of particular minority ethnic groups has long been observed though much of the work in criminology has been dominated by a somewhat narrow debate This debate has concerned itself with explaining this disproportionality in terms of structural inequalities and socio economic disadvantage or discriminatory criminal justice processing This book offers an accessible and innovative approach including chapters on anti-Semitism social cohesion in London Bradford and Glasgow as well as an exploration of policing Traveller communities Incorporating current empirical research and new departures in methodology and theory this book also draws on a range of contemporary issues such as policing terrorism immigration detention and youth gangs In offering minority perspectives on race crime and justice and white inmate perspectives from the multicultural prison the book emphasises contrasting and distinctive influences on constructing ethnic identities It will be of interest to students studying courses in ethnicity crime and justice

Gender, Sexualities and Law

Jackie Jones,Anna Grear,Rachel Anne Fenton,Kim Stevenson,2011-03-17 Bringing together an international range of academics Gender Sexualities and Law

provides a comprehensive interrogation of the range of contemporary issues both topical and controversial raised by the gendered character of law legal discourse and institutions The gendering of law persons and the legal profession along with the gender bias of legal outcomes has been a fractious but fertile focus of reflection It has moreover been an important site of political struggle This collection of essays offers an unrivalled examination of its various contemporary dimensions focusing on issues of theory and representation violence both national and international reproduction and parenting and partnership sexuality marriage and the family Gender Sexualities and Law will be invaluable for all those engaged in research and study of the law and related fields as a form of gendered power

Lesbian, Gay, Bisexual and Trans People (LGBT) and the Criminal Justice System Charlotte Knight, Kath Wilson, 2016-05-23 This book explores the experiences of lesbian gay bisexual and trans LGBT communities as victims offenders and staff within the criminal justice system It draws on both emerging and existing LGBT research and campaigns to identify and explore issues relevant to the criminal justice system including agencies of the criminal justice system victimisation domestic violence and abuse transgender experiences LGBT people as offenders international perspectives and the personal experiences of LGBT people Charlotte Knight and Kath Wilson trace the legislative journey toward equal treatment before and after the Wolfenden Report They consider why for example lesbians are over represented on death row in the US how the prosecution characterises them and what part homophobia might play in offending and in sentencing They raise important questions about the causes of and responses to same sex domestic violence and abuse and how the system delivers justice to trans people Sodomy laws and the treatment of LGBT people worldwide are also considered and models of good practice are offered Their insights will be of interest to practitioners policy makers and scholars of the criminal justice system particularly those concerned with the rights of LGBT communities
