Grandson Graduation Messages:

Connie'S Message—Smile! Jack B. Blount,2018-05-03 I wrote this book for two reasons both of which are tightly intertwined First is the fact that my daughter Connie and I discussed writing this book together while she was a freshman at the University of Kentucky After her death I needed to accomplish that goal we had set together to share our faith in God with others who were not fortunate to have been brought up in a Christian home Second is the fact that I know Satan was controlling the drunk driver who was responsible for Connies death Therefore I want to honor God by sharing my faith that Connie is in heaven Satan took Connies life in this world but God gave Connie eternal life in heaven Through faith in Jesus Christ we will someday be in heaven together again The Bible is the most published book in the world by far at over nine billion copies Yet I acknowledge that the Bible is not the easiest place for someone new to Christian theology to begin a journey with God in our modern science dominated politically correct culture Therefore I have captured a lifetime of study and discussions about the Bible and shared it with you in this book in the hopes it will make you aware of what God offers everyone

Our American Being, Righteously Free Jim Bowman, 2023-09-20 The purpose of this book is to raise the public's curiosity and interest so as to produce a better understanding and appreciation of our nation's overall being This in turn should produce a more singular identity for unifying and improving our country This humble effort will discuss the many influences and issues which are tearing apart our American fabric My approach may seem out of the so called mainstream even infuriating at times but this perception reflects just how far off course we have drifted from our origins of freedom and individual liberty A grateful renewal of both individual responsibility and constitutional allegiance can represent the initial doses leading to our American cure This book will hopefully inspire both My point is the ageless adage If it ain't broke don't fix it since this advice always works And so does our constitutional brand of liberty Enjoy
