Green Day Presents American Idiot:

Green Day: Rebels With a Cause Gillian G. Gaar, 2009-10-28 *Rebels With A Cause* is an in depth account of Green Day's 20 year journey from their scrappy high school band days to international stardom. It's a punk roots journey told through incisive interviews and first hand accounts that expose as much about the music scene as the band members themselves. From their 1994 major label debut album *Dookie* to the award winning *American Idiot* Green Day have now successfully taken the spirit of punk into the world of stadium rock. Written by Gillian G. Gaar this intimate and perceptive band biography tells exactly how they did it and reveals what success has meant to these feted Californian champions of alternative rock. **Green Day** Alan di Perna, 2012-12-16 Formed in California's East Bay in 1987 by a 15 year old guitar player named Billie Joe Armstrong and his bass playing friend Mike Dirnt later joined by drummer Tre Cool Green Day has risen from the Bay Area's underground rock scene to become one of the world's most popular bands. Lauded for bringing punk rock to the masses Green Day's remarkable rise from teenage garage band to multi platinum artists is documented here for the first time to coincide with the band's 25th anniversary. Author and frequent *Guitar World* contributor Alan di Perna who has interviewed Green Day's three members several times offers readers and fans a complete band history from their formation and first gigs in Berkeley California and signing to the Lookout label through their highs and lows eight studio releases including the opening salvo 39 Smooth the door opening *Dookie* the less well received *Warning* and more the critically acclaimed Broadway show *American Idiot* and their latest recording and film efforts. Di Perna's revealing text is accompanied by more than 300 visuals including concert and candid off stage photography gig posters and handbills 7 inch picture sleeves rare vinyl backstage passes and more all presented in a stunningly designed package. **Green Day** William E Spevack, 2023-09-11 Green Day are one of rock history's greatest and most successful bands. Singer guitarist Billie Joe Armstrong bassist Mike Dirnt and drummer Tr Cool have been together creating rock music with a punk heart for over three decades. The trio has reigned supreme shattering previously conceived notions of how commercially successful a punk rock band can be by helping extend the boundaries of the genre by adding excellent pop rock songwriting. Green Day harnessed alternative music's creativity with a passion and fire that ignited two of rock's best albums the influential *Dookie* which sold 20 million copies and the culturally important rock opera *American Idiot* which sold 16 million and went on to become a Broadway show. In their 30 plus years Green Day revolutionized rock musically and lyrically inspiring countless bands. During the 1990s they lead the pop punk charge and in the 2000s they inspired a second generation of fans and bands through a lyrically intelligent and musically complex style of hard rock. *Green Day On Track* takes a journey through the Rock N Roll Hall of Fame band's career analyzing every album and song in their remarkable catalogue. William E Spevack has been published in the magazines *Laptop CPU* and *PC Upgrade* as well as the music website *AlternativeNation.net*. His first book *Keep On Shining A Guide Through the Music of Love* Arthur Lee was published in December 2021. He is a Bard graduate and
