Glock Paul M. Barrett,2013-01-15 The Glock pistol is America s Gun It has been rhapsodized by hip hop artists and coveted by cops and crooks alike Created in 1982 by Gaston Glock the pistol arrived in America at a fortuitous time Law enforcement agencies had concluded that their agents and officers armed with standard six round revolvers were getting outgunned by drug dealers with semi automatic pistols they needed a new gun With its lightweight plastic frame and large capacity spring action magazine the Glock was the gun of the future You could drop it underwater toss it from a helicopter or leave it out in the snow and it would still fire It was reliable accurate lightweight and cheaper to produce than Smith and Wesson s revolver Filled with corporate intrigue political maneuvering Hollywood glitz bloody shoot outs and an attempt on Gaston Glock s life by a former lieutenant Glock is not only the inside account of how Glock the company went about marketing its pistol to police agencies and later the public but also a compelling chronicle of the evolution of gun culture in America

Forms of Muslim Children's Spirituality Fahimah Ulfat, 2022-12-12 The empirical study on the broad spectrum of Muslim children in Germany and their relations to God is fundamental for the scientific understanding of the development and formation of their faith At the same time the findings of this work are also highly relevant for the further development of an academic and empirically based Islamic religious education both in a secular and in a highly individualized society The aim of this book is to provide a framework for the life of young believers in a religiously plural society in which the individual relationship to God and the reflexivity of one s own religion are a decisive prerequisite for preventing radicalization and moral rigidity This book favors an anthropological shift and an approach that takes the potential of children with their theology and their search for the meaning of life seriously
