Mark Greene,2014-03-21 What does fruitfulness look like in our everyday lives How can we serve God in the many many hours of our waking time Whether we are housewives or students schoolkids or factory workers sales assistants or retired God can use us in many different ways And that s not by adding new things to our much to do about everything lists Rather it is about what happens when we let God show us how he wants us to respond in the places we find ourselves day by day our frontlines wherever they are We don t need a high position a university degree or lots of money to have a significant impact for the Lord What if for now at least the people God wants us to love and serve are the people we meet day to day There are lots of stories in this book They are all about followers of Jesus who have come to see the places and the people they encounter on their frontlines They are testimonies that God still works powerfully wondrously and mysteriously through his people today      **Every Day a Friday (Enhanced Edition)**

Julie Ann Allen,2018-10-30 When we first become parents we don t imagine

ever being single parents Regardless this is where we are Instead of evaluating God's love based on your circumstances evaluate your circumstances through the lens of God's love This is what it is to co parent your children with God The Battle Worth Fighting is both a practical guide to approach the challenges of raising children in this current culture with the social influences they face as well as a guide to spiritual development and growth for your children and you Let God be the authoritative parent for your children Establish the boundaries you know God is leading you to establish Place your priorities where God is showing you to place them Your prayer request is to hear his call and move in the direction he leads This is a game changer Instead of seeking the path to acclaim and earthly accomplishments we seek what God values and wants for us and for our children This is what provides the foundation for how you parent your children and who you teach them to turn to as the authority in their lives God is calling us to invest in our children so they can become who God had in mind when he created them *Living a Prosperous Life* Larry B.
