Main Street Priya Balkaran:

Main Street Priya Balkaran, 2015-09-20 It all began on Main Street I put on my headphones and started walking twirling along the sidewalk as the song s tended to make me do When Shut up and Dance came on I all but flat out danced in the middle of the street and of course being that it was still early I had no shame in it it s not like Adam was going to see me Of course I could have stuck my foot in my mouth and all but drop dead from embarrassment when I looked towards the Cafe and saw him sitting in the chair It would have been reassuring had he been talking to the waiter who was next to him but why would I have that luck No he was looking straight at me his mouth curved into a little smile Anya Abbott is twenty six recently single and at first was completely devastated by that Then she meets Adam Carello and things start to take a turn for the better He s sweet he s spontaneous and he knows how to make her tummy tingle But can things really be as wonderful as it seems or is it too good to be true
