Maitreya on the Image of God Elizabeth Clare Prophet, 1990

Walking with the Master Elizabeth Clare

Prophet, 2002 Two thousand years ago Jesus called a small band of disciples to leave their nets and follow him He gave them a teaching and a path of initiation only fragments of which are found in the New Testament This path is as real and vital today as it was in Jesus time And now at the turning of an age the ascended master Jesus calls those who would be his disciples to take up that path to walk and work with him again Twenty eight steps on that path are presented here with commentary and explanation by Elizabeth Clare Prophet and the staff of Summit University The goal is to find and externalize the Christ within The means is a practical path of initiation for the modern world Crossing Borders Lawrence Wang-chi Wong, T. H. Barrett, 2022-04-01 This edited volume investigates translations from the languages of China into the languages of Western societies from the 17th to the 20th centuries Rather than focusing solely on the activity of translation the authors extend their explorations to cover the contexts within which the translators worked from different perspectives touching on various aspects of the institutional and intellectual backgrounds that informed their writings Studies of translation from literary Chinese into English constitute the majority of the contributions but the volume is also illuminated by excursions into Latin French and Italian while the problems of translating the Naxi script are confronted as well In addition the wider context of the rendering of Chinese into other languages is explored through a survey of recent Japanese translation series Throughout the volume translation is presented not simply as a linguistic exercise but rather as a key element in world history well worthy of further interdisciplinary investigation Canadiana , 1988-09
