### Simply The BEST Recipe Organizer on the Market ★★★★★

by Jane Croft-Brewer

"And I should know. I have tried and tested every program I have ever been able to find to organize my 10's of thousands of recipes. Every program I ever found had one flaw or another that deemed it inadequate to meet my needs. I have been using Cook'n for a bit over 2 months now and with their excellent customer service team, I have found it to meet my needs unlike any other program out there!"

### Great App ★★★★★

by SherryBend

"I have been a MasterCook software user for many years until I found Cook'n. This is the best software I have ever used! It is easy to capture any recipe out on the web, even capture inside cookbook recipes with ease. Very easy to find any recipe you're looking for in your collection and share with friends. They are constantly upgrading and making things easier. They are always thinking of how they can make it more user-friendly and other things to do."

**Preserving Family Recipes** Valerie J. Frey, 2015-11-01 Heirloom dishes and family food traditions are rich sources of nostalgia and provide vivid ways to learn about our families past yet they can be problematic Many family recipes and food traditions are never documented in written or photographic form existing only as unwritten know how and lore that vanishes when a cook dies Even when recipes are written down they often fail to give the tricks and tips that would allow another cook to accurately replicate the dish Unfortunately recipes are also often damaged as we plunk Grandma's handwritten cards on the countertop next to a steaming pot or a splattering mixer shortening their lives This book is a guide for gathering adjusting supplementing and safely preserving family recipes and for interviewing relatives collecting oral histories and conducting kitchen visits to document family food traditions from the everyday to special occasions It blends commonsense tips with sound archival principles helping you achieve effective results while avoiding unnecessary pitfalls Chapters are also dedicated to unfamiliar regional or ethnic cooking challenges as well as to working with recipes that are orphans surrogates or terribly outdated Whether you simply want to save a few accurate recipes help yesterday's foodways evolve so they are relevant for today's table or create an extensive family cookbook this guidebook will help you to savor your memories
