Making Good Habits Joyce Meyer:

Making Good Habits, Breaking Bad Habits Joyce Meyer, 2013-04-02 Nearly everything we do in life is the result of our habits. The good ones bring peace, joy, and power into our lives, and the bad ones steal our peace and joy and prevent our success. In this book, Joyce Meyer explains how to develop good habits, the things you really want to do, and break the bad ones, putting an end to frustration, discouragement, and stress that drains your energy. The most important habit comes first: the God habit. Next comes a willingness to work for the results you want. Joyce reminds us that if we don't pay the price for freedom, we will end up paying the price for bondage. Next comes the power of our words. Our words and the thoughts that propel them have tremendous power over our actions, and repeated actions are the basis of our habits. There are eleven more habits that Joyce discusses in depth, including the habits of happiness, faith, excellence, responsibility, generosity, discipline, decisiveness, and confidence. Choose one area and begin. She urges, "Don't feel overwhelmed by all the changes that are needed. One thing at a time, one day at a time is the best plan. Celebrate every day of success, and when you make mistakes, shake off the disappointment and keep going forward. You can transform your life one habit at a time." *Joyce Meyer: Making Good Habits, Breaking Bad Habits, Overload, Living Beyond Your Feelings* Joyce Meyer, 2018-03-22 **OVERLOAD** How to Unplug, Unwind, and Free Yourself from the Pressure of Stress. **LIVING BEYOND YOUR FEELINGS** A comprehensive guide to the range of emotions that we feel every day and shows how to manage them instead of letting them manage you. **MAKING GOOD HABITS, BREAKING BAD HABITS** 14 New behaviours that will energise your life. *Making Good Habits, Breaking Bad Habits* Joyce Meyer, 2014-04-10 From nail biting to cell phone addiction, procrastination to overspending, bad habits seem to outnumber the good ones. Unfortunately, we pay a price for bad habits that outweighs the immediate gratification that they bring. Experts say that at least 40% of what we do is solely the result of habit, which is why it is so important to make good habits and break bad ones. In this book, Joyce Meyer starts by examining the nature of habits. **Be Uncommon** John Mason, 2023-03-14 God created you to be you, not someone else. So why do we so often settle for less? Why do we bow to the pressure to conform to others' expectations of us, rather than boldly being the person we were meant to be? Why do we pretend to be satisfied with average, ordinary, common? What would it be like if we actually believed God desires to do something extraordinary with our lives? In this inspiring new book from the bestselling author of *An Enemy Called Average*, you'll find the motivation and encouragement you need to stop settling and start stretching toward the goal of being you, in the way only you can. In short, punchy chapters, John Mason shows you how to face down fear, doubt, criticism, and apathy with enthusiasm, decisiveness, persistence, and honesty. He shows you how to seek God's direction, develop wisdom, manage your time and energy, and take risks. Outside of your comfort zone is where you'll find true fulfillment and contentment as you develop into the exceptional, extraordinary, uncommon person you were always meant to be. So what are you waiting for? **Jesus, I Don't Understand** Joyce Williams Graves, 2014-05-27 Facing tragedy in her life, seventeen-year-old Rachel
